THE OFFICIAL NEWSLETTER OF TRACKROD MOTOR CLUB LTD
RAC MSA AFFILIATED, NO. 1230

CLUB TROPHIES

As some of you will have observed at the Dinner Dance last month, one or two of our trophies have had a bit of a facelift, which has ranged from a bit of general fettling and repair to complete re-modelling and/or re-plating. All this of course has been achieved with the assistance of contacts and members, some of whom have provided services and materials free of charge, in particular Dave Marshall. Dave provided some splendid pieces of oak and machined them to perfection as a gesture of goodwill and thanks must go to him for the services of his workshop. Others to be mentioned are former member Marsh Newman, whose Modenco Design operation arranged the re-plating of one trophy and some engraving work for another, chrome work was undertaken by Silchrome Plating Co.Ltd. Leeds 12. We feel that the results speak for themselves and, with due care, should last the Club for a further 35 years!

As a final point, there appears to have been little response to the earlier request for the return of long missing trophies;

The Foster Shell Trophy - Best Trier
The Jacwil Trophy - Economy Run
The Dickinson PCT Trophy - Production Car Trials
The FSB Driver Shield - Rally Driver
The FSB Navigator Shield - Co-driver

Now, research has revealed some indication as to who the most recent winners of the above may have been, but rather than name & shame we would prefer you to come forward and update our information, if appropriate, or hand back the trophies to any committee member (under the cover of darkness if you prefer - no questions asked!).

Richard Ineson & Barry Dove

Thank You

The committee would like to thank Richard Ineson, Barry Dove and Simon Taylor for all their work they have done in restoring and assessing the trophies.

As you all know, the trophy point's year starts at the beginning of December to enable us to collate the results and present the awards at the annual dinner dance. This year is no exception. As in previous years, many different awards are available including the recently introduced 'Perfect 10' award where cash sums can be won.

Aimed at most motorsport disciplines, the trophies are awarded for a variety of reasons including several Committee awarded trophies. A list of available awards and how to achieve them follows.

As from this year, I will be handing over the reins to Russell Holdsworth who will collect and accumulate your points for the 2006 season. You will find his details on the back of the magazine as usual. Below is again a brief resume of what is on offer and by the time you read this, you will have seen at the Annual Dinner Dance how little is required at the moment to get in the top scoring positions!

Keep the points coming, don't be shy as very few people are bothering to record their achievements by sending in the points and don't forget, get them in within one calendar month to have them counted!

See you on the events in 2006

RETROSPECTIVE

30 YEARS AGO - February 1976 - Cover pic shoed Hans Stuck flying the BMW at the Nurburgring, inside was a shot of Andy Mackay/Mike Stones emptying the Wyke ford on the 1974 Pennine Rally.

Ron Mackinnon/Chris Perkins reported somewhat belatedly on the 1975 Scarboro Stages.

We had a Dunlop/ATS film night at The Wharfedale at Arthington and one John Horton was on hand to talk tyres with those who saw them as more than just black and round!!

Rod Parkin was to be our Stage Commander for Cropton on the forthcoming Mintex International - volunteers form a queue!

John and Anne Richardson won the 3rd round of the Indoor Rally Championship from 11 other crews.

Steve Mills organised the Janus Autotest at Wooley Edge services and David Sunderland of A&P took FTD whilst Ron' Makinnen' won his class from Dave Slaney, also of A&P. Steve Lloyd had a day of fumbling only managing 3rd in class, not up to his usual standards. Messrs. Richardson J. and Spurdens R. were singled out for praise as they braved the cold, blustery and freezing conditions and marshalled all day without bating an eyelid (they were frozen !)..

20 YEARS AGO - February 1986 - Can anyone out there remember what happened because I've just established that my set of magazines has yet another gap in it!!!

10 YEARS AGO - February 1996 - Jim and Nick Dixon reported on their outing on the Christmas Stages which took place in customary icy conditions in the Catterick area. Their run however came to a rather abrupt halt on Stage 11 when the car took a distinct liking to a huge rock on the outside of a bend, their only consolation was that the same rock had claimed a dozen other cars throughout the day including Charlie Payne and Steve Petch !

John Smallwood was requesting volunteers for our stage (Waterloo) on the Kall Kwik (Harrogate) Stages on 18th Feb.

Nick Stevens wanted £1800 (how much!!!!) for his Talbot Sunbeam 1600, Lots of kit, bits and history but not much else!!!
