Table Top Rally

3rd April 2007

The Clubnight event for April was a Table top Rally, organised by Andy Turnbull.

The evening was well attended but only 3 crews plucked up the courage to take part in the event.

Results were as follows:

1 st	Richard Goldie/Melanie Turnbull	34 points
2 nd =	Malcolm Jagger/Jan Jagger	39 points
2 nd =	Derek Lee/Richard Hart	39 points

Everyone managed to plot the 'road sections' successfully (sometimes with a little encouragement) the main difference in the final points scored was due to the 'special tests' which were all motor sport related questions which required answers. It wasn't the fact that Richard & Melanie knew more of the answers, just that they decided more quickly that they **didn't** know them, hence receiving less time penalties!

Our resident encyclopedia, Richard Ineson, also tackled the questions (with a little more success) but even he couldn't answer all of them. If you fancy a look the questions are listed below – answers next month.

- 2.1 Who is Matthew Wilson's current WRC navigator?
- 2.2 A Mini has only once ever won the RAC Rally. Name the Driver.
- 2.3 And in what year did he win?
- 2.4 Which famous company supplied engines for the Lancia Stratos rally cars?
- 2.5 Who was the first driver to win the RAC Rally in a Subaru?
- 2.6 And in what year did he win?
- 5.1 Name the first international rally to be won by a Ford Escort
- 5.2 And in what year?
- 5.3 Who drove a Mini in the 1994 Monte Carlo Rally to celebrate an event that took place 30 years previously?
- 5.4 Who received a 2 minute penalty on a Rally in 1999 for bicycling through two stages prior to the start of the event?
- 5.5 And on which Rally?
- 5.6 Name the oldest driver to win a world rally
- 5.7 And the youngest?

RETROSPECTIVE

30 YEARS AGO - JUNE 1977 - On the cover was a photo of car 77 on the Crest Stages trying to emulate the antics of the course car (retrospective last month) with much less disastrous results!

An item of news concerned our first team entry on an international rally - Dick Rowlands/Eric Cowill; Mike Fisher/Richard Spurdens and Richard Jackson/Steve Lloyd were to enter the Scottish Rally - watch this space for the outcome! Also reported was the PCT organised by Howard & Diana White at Stump Cross - 16 entries had a very competitive day with Ian Waddington; Andrew Roddy and Steven Waddington taking the class wins.

22 new members this month!!!

After 5 rounds we were 4th in the Shell League, some 700 points behind leaders York. Our team of 5 for the perambulating autotest around Morley netted us 284 points and Messrs. R Goodall; White; Mills; Renny and Longstaff all fared very well as the last 2 named were totally new to this branch of the sport.

20 YEARS AGO - JUNE 1987 - Ian Wallbridge reported on his trip to Scotland to take part in the Ford Sierra Rally Search 1987 but even 4 pages of detail couldn't hide the fact that success didn't go his way - he came away with a free Ford clipboard!!!

Chris Sanderson and Nicola tied the knot and Phil Sykes and Carolyn did the same - on the same day apparently.

We had a gymkhana in conjunction with LUUMC which 'they' won so a return match was being planned for 23rd June (might even have the results next month). Richard Simpson reported on marshalling matters which kept everyone up to speed on what had and was to happen in an effort to encourage members to get out there and do a bit!!!

An update on trophy points showed that Carolyn Harber(now Sykes) and John North were doing a lot of the best scoring but one Tom Whitaker and John McNichol were figuring stonily for a pot or two!!

10 YEARS AGO - JUNE 1997 - Arthur Heaton reported on his outing with Stuart Drabble in the 1300 Fiesta on the Signagraphic Stages - all wring stopped when the engine let go on stage 7 - so, back to the garage . Apparently Jim Plevy got a last minute ride and ended up as the winning co-driver!! - Well done Jim.

Bit of a description on PCT's and autotests by Derek Lee to try encourage people out on the Larkspeed League events as we were sadly lacking in these disciplines.
