The Centenary Rally, Multi Championship, at Twyford Wood on is being run August the 10<sup>th</sup>. Marshals have been requested for this event, so if you can help please let me know.

The Tunnocks Tour of Mull is scheduled to run on the 10-12<sup>th</sup> October, a wonderful event based on the Isle of Mull. There is a contingent from the club that make the trek up to Mull every year to assist on this event (it is very addictive) but the 2300 club who run the event are requesting further marshals. So, if you have always fancied the event but never quite made it, how about giving it a go this year. There is an assistance package for marshals (see the flyer elsewhere in your mag) so it is not quite as expensive as you might think. Give me a call for further details.

### RETROSPECTIVE

30 YEARS AGO - AUGUST 1978 - Our Quiz team played Selby & DMC in the NHMSG semi final and trailed 147 to 174 after the general knowledge round but stormed through on the motorsport to take the win on 268 to 232 - we play Wakefield in the final - watch this space!

Brian Wainwright reported on the Stockton & DMC Novice Rally on which he accompanied Trevor Ward in the Mini with Gez Waters/Vince Fletcher also in attendance in the VW. The Mini spent much of the night on 3/4 choke to overcome a carburetion problem with the result that they needed to find fuel more often than anyone else!! They eventually finished 28th o/a. The VW crew had a trouble free run apart from a 9 minute wrong slot the kept them down to 26th o/a

Vince Fletcher also reported on the recent CD Bramhall Rally which he also did with Gez Waters. Other TMC crews included Alan Powell/John Millington (yes - now of M-Sport fame) running at no.1; Bob Pearson/Rod Parkin at no.11; Ian Brown/Charlie Palmer at 29; John Palmer/Marcel Girardier at 42; Barry Dove/John Bownass at 52 with Vince/Gez at 54. Apparently Baz and John left the road briefly when they met an oncoming rally car!!!! Only for the two have the clutch expire later. Bob Pearson dropped the escort off the road at a hairpin and didn't go any further as Rod, despite much huffing and puffing, was unable to push it back to the tarmac - he wasn't any fitter way back then!!! Gez/Vince finished 18th with top seeds Powell/Millington taking victory.

New members this month: - Dave Wise; Brian Scorby and Tom Whittaker  
Our clubnight PCT at Stubbings farm was won jointly by Geoff Northmore and Ian Waddington whilst the ladies award went to Vicki Spurdens (now Renny).

20 YEARS AGO - AUGUST 1988 - Editor Chris Sharpe had had enough and was off to further his career in the Trophy Points role at the AGM. Pam White reported on the Costa Stages that she did as a first time co-driver alongside Alan Powell. After 4 stages they were lying 7th o/a with Pam starting to gain a bit of confidence only for the Escort to bend a valve on stage 5!! -end of story. Pam also let us know briefly of her outings on the Alwoodley autotest where she managed an 8th in class and also on the Ilkley PCT where we also had John Mc Nichol and Richard Simpson in Novas. Huge class for nova types and our trio managed 16th; 24th and 29th out of 36! Busy lass that Pam White - obviously enjoying her motorsport.

10 YEARS AGO - AUGUST 1998 - Sad item this month was a rather wonderful piece about Steve Rathbone who lost a valiant fight against cancer - it was written by his co-driver of some 5 years, Frank Stuart-Brown who recalled many of their successes and tales of woe from 1973 to 1978, sadly it was only last year (2008) that we had to report that Frank too had succumbed to the disease in an uncannily similar fashion - both gone but not forgotten!!

Steve Hugill reported on the Viking Tour he did alongside Craig Dykes on which provisional results showed them to be in 2nd place o/a. Tom Whittaker/Baz Dove were not so fortunate as they suffered a bad misfire for much of the event.

TRACKROD \_\_\_\_\_ ENDS

**Sign up for Go Motorsport**

The UK's first centrally co-ordinated marketing campaign to encourage new people into motor sport was launched in June by Vodafone McLaren Mercedes Formula 1 driver, Lewis Hamilton, at the McLaren Technology Centre in Woking.

Go Motorsport is designed to stimulate greater interest in the sport and show a wider public audience – beyond motor racing enthusiasts – what a great sport it is and how easy it can be to become involved at all levels, whether as a competitor, spectator, official or marshal.

The website [www.GoMotorsport.net](http://www.GoMotorsport.net) explains the sport for interested beginners in three main areas:

- Go Drive: highlights the many driving disciplines recognised by the MSA with details of how to participate, costs, requirements, where to go, who to approach and a searchable database of clubs
- Go See: lists venues and events by region and postcode making it easy for members of the public to find out what is on near them
- Go Help: explains the many volunteer roles which are available such as in administration, acting as an official or becoming a trained marshal as well as how to become involved

To be included in the Go Motorsport initiative, motor clubs should complete a questionnaire, which is available from [http://files.e2ma.net/2971/assets/docs/go\\_motorsport\\_questionnaire.xls](http://files.e2ma.net/2971/assets/docs/go_motorsport_questionnaire.xls). This will ensure the correct information is on the Go Motorsport website.

Club officials can return questionnaires by email to [info@gomotorsport.net](mailto:info@gomotorsport.net) or by post to Ben Taylor at Motor Sports House. If you have any questions, contact Alex Birley, who is co-ordinating Go Motorsport, on 07841 673012.

**Let's Go Karting**

Stars from the world of Formula One and motor sport were at Buckmore Park on 23 June to give the green light to the MSA's Let's Go Karting campaign, which will enable children to experience the thrill of karting for just £5.

Let's Go Karting will be spread across 16 clubs and tracks throughout Britain and will allow children between the ages of 8 and 16 to get behind the wheel of a kart at a specially subsidised rate. The scheme will ensure all the children are provided with full safety training by qualified instructors along with special safety kit and equipment, before having the opportunity to take to the track and test their skills.

Full details of the scheme can be found at: [www.LetsGoKarting.net](http://www.LetsGoKarting.net)

**Fellowships available**

The Winston Churchill Travelling fellowships offer UK citizens, irrespective of background, age, educational or professional qualifications, the opportunity to increase their knowledge and experience through overseas travel in order to benefit others within their community. The categories for 2009 include sport, writers (journalists and historians) and young people (under 25 on 31 December 2009). Further information is available at [www.wcmt.org.uk](http://www.wcmt.org.uk)

**Online Permits**

For some time, MSA Registered Motor Clubs have been able to apply for permits on-line. This system allows a club to apply via the MSA website using an electronic application and uploading its regulations. Event permits of all status up to National A can be applied for on-line.

When a club uses the online application system its permit is emailed to it and is also available to download from the MSA website. This means it will become more common for the MSA permit on display at an event to have been printed by the club rather than be the original certificate sent from Motor Sports House.

These self-printed permits are laid out in the same way as the original certificates – the only difference being that the signature will have been printed.

**Marshals' next of kin**

A quick reminder to clubs that it is good practice to request next of kin contact details for marshals and all signed-on officials. This makes life easier if an official is ill or injured.

**Motor club information**

The MSA website [www.msauk.org](http://www.msauk.org) is the place to locate motor clubs (in MSA Club Directory) and to see changes and applications for recognition (in News).

**ANEMMC TRAINING DAY**

**Fulbeck Airfield**

**Sunday 3<sup>rd</sup> August 2008**

This training day will start at 10.30 and finish at approx. 15.00.

There will be two main sessions and if time permits one short session. These will consist of timing and radio (including rallittrak) within a stage. Basic fire training and first on scene.

The sessions are aimed at anyone from spectators to senior officials and competitors.

Please be aware that there are no refreshments at the venue and the organisers cannot guarantee any being available in the near vicinity.

After the training Eastwood MC are organising an Auto Solo event with a free entry and any one who has attended the traing is welcome to take part. It is envisaged that the event will finish at approx. 18.00 hours.

Further details can be obtained from Richard Ashton please do not contact me as I will not be available prior to the event.

## **DAVID BRABHAM ANNOUNCED AS NEW *GO MOTORSPORT* AMBASSADOR**

*Go Motorsport* is delighted to announce that David Brabham is the latest star name to join the distinguished list of official *Go Motorsport* Ambassadors - a collection of high profile personalities all actively supporting the far-reaching campaign set up by the Motor Sports Association, the governing body of UK motor sport. *Go Motorsport* was launched recently by Vodafone McLaren Mercedes Formula 1 driver Lewis Hamilton at the McLaren Technology Centre.

British born Brabham - youngest son of three times World Champion Sir Jack Brabham - is not only a former F1 race driver but also one of the world's most respected sportscar racers. He's the only man to have won in every category in the American Le Mans Series and recently scored his second successive LM GT1 class victory at the Le Mans 24 Hours as a key member of the successful Aston Martin Racing team. Brabham also leads the MSA's widely acclaimed Race Elite programme which is focused on grooming the next generation of British racing drivers.

The 42-year-old joins an impressive - and growing - roster of *Go Motorsport* Ambassadors, including national, international and world champions along with other key figures who are all supporting this important initiative to encourage people to get involved in motor sport whether as a competitor, spectator or volunteer.

"Motor sport has so much to offer but it can be tricky for outsiders to get involved. I was lucky enough to be born into a family with strong racing connections however there are millions of others who watch Formula 1 and other disciplines on television and have no idea how to further their passions," says Brabham. "Go Motorsport has been established to address these issues and the new GoMotorsport.net website is a great starting point for anyone wanting to get closer to the action."

- Ends -

I would have put something here  
but i didn't get given anything  
and i ran out of ideas on how to  
fill it

Please send me some articles.  
They can be about absolutely  
anything even your new pet cat.
