'Points Make Prizes'

Claims for the marshals clothing scheme have been slow. With this in mind the committee have extended the deadline for claiming prizes until 31st March 2009.

You do not need to claim trophy points to claim your garments, just list what you have done over the last 2 years and send them to me with which garment(s) you are claiming.

Below is a list of claimants so far:

Simon Marston
Caroline Marston
Stephen Sanderson
Graham Wride
Richard Goldie
Melanie Turnbull
Andy Turnbull
Shelagh Turnbull
Jonathan Turnbull
Toby Revill
Stephen Lancaster

So in short if you have a claim please email it to me ASAP

'POINTS MAKE PRIZES'

As you may remember back in the January 2007 edition of the magazine we launched a marshalling reward scheme based on one point per day marshalled and a point for attending the first club night of the month. The scheme does not include competing, organising and service crews.

Time has come to add up your points (from January 2007 to November 2008) and let me know what you would like as your reward. The options are listed below

- 30 points Winter Jacket - Gents (Red & Grey or Navy & Grey)
Sizes: S(38) M(40) L(42) XL(44) XXL(47) XXXL(50)
Ladies (Navy & Navy or Red & Grey)
Sizes: S(10) M(12) L(14) XL(16)XXL(18) XXXL(20)
- 25 points Hi-Vis Jacket (Yellow or Orange)
Sizes: S(38) M(41) L(44) XL(47) XXL(50) XXXL(53)
- 20 points Hi-Vis Fleece (Yellow or Orange)

By the time you are all reading this article, the Dinner Dance will have been and gone and all Awards for 2008 will have been presented. Congratulations to all the award winners. All were well deserved. I have asked Andrew to include the lists of points awarded at the end of this article, just to give you all some idea of the number of claimants in the year, and how many points and events they have participated in. One of the criticism's that have been made to me and to other members of the committee has been the lack of point updates during the year. This is something that we aim to put right this year. As many of you will appreciate putting the points together is a very time consuming business on a large 8 – 10 page spreadsheet, which itself needs some serious updating. As you know computers are not my strongpoint! but Andrew and Graham Wride have kindly offered to help me try to update the system with the aim of giving you a bi-monthly update. Whether this will be on the Website or in the Magazine has yet to be decided. Graham Steggles did an incredible job taking the system from paper to computer, but we do now need to take the next step. Any useful ideas will be gratefully received.

Over the last couple of years our esteemed historian Richard Ineson and myself have been trying to locate some missing Trophy's. More by chance than anything Richard and I have achieved, Malcolm Jagger met an old member and Trophy point's coordinator Vince Fletcher who had found a box of trophies in his Garage. At the time of writing I haven't seen them, but we suspect these are the last of the missing Trophy's. Many thanks to all those who helped in the search, especially Richard who spent many an hour trying to trace the last recipient of each of the individual trophies

Finally may I wish everybody a successful and safe Motorsport year in 2009, be it competing or marshalling, And keep those claim forms coming.

Grants for defibrillators

For 2009, MSA Regulations make it mandatory for MSA Licensed Rescue Units to have a 3-lead AED – a defibrillator with a monitoring facility. A number of rescue unit operators had previously bought defibrillators (even though they were not an MSA requirement at the time) which may not meet the MSA minimum specification. The Rescue Development Fund has therefore made a commitment to grant aid the purchase of new defibrillators for MSA Licensed Rescue Units in the sum of £750 each. With around 60 operational rescue units, this is a significant total amount of grant aid on offer during 2009 of around £45,000.

Applying for grant aid

Both the Club Development Fund and Rescue Development Fund are partnership schemes and – dependent on the nature of the application – grant aid can be provided in appropriate cases for either a percentage award or a fixed grant award. Application forms can be downloaded from the MSA website. Applicants are strongly recommended to discuss their proposals with Allan Dean-Lewis or Richard Nunn at the MSA prior to submission, so that suitable advice to guide the effectiveness of any subsequent application can be offered.

Winter club nights

Together with useful publications about marshalling and rescue techniques, the Motorsport Safety Fund has an excellent DVD for sale. The *5-in-1 Safety DVD* has sections on first aid, marshalling, safety considerations for competitors, firefighting and motor sport rescue techniques. It costs £10 including postage and packing from Motorsport Safety Fund, PO Box 200, Sevenoaks TN15 8WZ.
ENDS.

***e-Wheels* anniversary**

This is the 12th issue of *e-Wheels*, which was first produced in March 2008 to replace the long-running paper-based *Wheels*. Hopefully, one of the aims of the digital format – to make it easier and cheaper for the information to be disseminated to club members – has been achieved.

If a paper copy is required, or to access back issues, Word and pdf versions of *e-Wheels* can be downloaded from the MSA website www.msauk.org by clicking on MSA publications>Wheels>e-Wheels.

As always, we welcome your feedback, on both the content and the technology, and would be interested to hear of innovative ways of circulating the information to your members. Please send your comments to: Allan Dean-Lewis, Head of External Affairs, MSA at the email address above.

MSA 2009 Competitors' and Officials' Yearbook correction – fuel testing

As mentioned in *e-Wheels* January 2009 and repeated here for emphasis, regulation changes with regard to fuel testing were ratified by the Motor Sports Council at its meeting on 4 March 2008 and duly published in the Spring 2008 issue of *Motor Sports Now!* – the quarterly MSA publication sent to licenced officials and competition licence holders.

However, these changes were omitted from relevant sections of the 2009 *Competitors' and Officials' Yearbook* (the so-called Blue Book which is sent to licenced competitors) but can now be viewed on the MSA website at www.msauk.org
>Clubs>Publications>MSAYearbook

MSA Club Development Fund

During 2008, the MSA Club Development Fund grant aided applications from MSA Clubs for purchase of safety related equipment (radios, fire extinguishers etc) and assisted venue improvement projects in a total amount of £80,559 and this has enabled projects with a total value of £281,238 to be undertaken to benefit the sport. Over the last 14 years since the Fund started, the MSA has provided grant aid of £636,983 to assist projects worth a total of £2,990,390 to the sport. The Club Development Fund continues for 2009.

MSA Rescue Development Fund

Run in tandem with the Club Development Fund (and using the same application form), the Rescue Development Fund enables enhanced funding for the replacement and renewal of rescue and recovery equipment to MSA specifications, and even to assist the purchase of new or replacement rescue units. In 2008, the MSA made awards of £51,730, making its contribution total £99,482 since the scheme was started in 2007 – which has enabled rescue and recovery unit related projects with a total value of £278,198 to be funded during that time.

Membership Reminder

For those of you who haven't renewed your membership for 2009, this is just a quick reminder that this will be your final magazine until you do.

If you have lost your for or require a new one you can download a copy on off the website in the downloads section, and pass it onto me and I'll happily take your subs off your hands.

RETROSPECTIVE

30 YEARS AGO - MARCH 1979 - On the cover a nobody called Ineson doing the Boxing Day autotest at the Crest Motel.

The Social Committee announced their plans for the coming months with film shows, treasure hunts and a boat trip as well as the usual club nights. There was to be a shellsport quiz at the DeLacy clubhouse - watch this space to see how our team fared.

Nick Leuchars penned an article on "making up time" on rallies - when you could and couldn't and J C Barker wrote at some length on his 14000mile overland trip to S.Africa and the creation of a 6-wheel drive Landrover in which to do it.

Vince Fletcher was close to otl with his article on the December 7 Dales \Rally he did with Tom Whitaker , by all accounts it was a basically good event marred by slack timing and frosty conditions - they finished 17 o/a.

20 YEARS AGO - MARCH 1989 - Ian Gurnett added his three penneth in support of the views offered by yours truly last month on anonymous articles - Ed. remained intransigent and closed the topic !!

Regs were published for the ANCC Autotest Championship along with those for the 3rd round of the Shell League - The White Rose Rally. The latter caused a bit of a stir as Shipley & DMC had opted to limit entries to 1400cc and only 2 forward facing lights (i.e. no spotlights) and offered a full page of justification for the actions.

John Renny thanked all who turned out on the Cartel Stage, the running of which wasn't without its problems as car 80 burst into flames and the plumbed-in fire extinguisher failed to activate - the ensuing conflagration causing considerable delay but stage cancellation was JUST avoided - well done all round!

10 YEARS AGO - MARCH 1999 - Bit of a slender issue this month.

Peter Stanhope still had his historic R Rover for sale and it was joined in the ads. By the Ineson autotest Mini Special at £400 - to make way for a new project the nature of which escapes me for the moment!!

A photo of Andrew Apperley with his R.Rover and trailer carrying the Sierra stuck in a grassy field and in receipt of a tow from To Whitakers Land rover - this was apparently before they got to the event!!

Another ad.- this time for a ride as a "geriatric co-driver seeking a not too fussy driver for occasional rides in the forests - pacenote experience but would prefer proper maps" -Took him some time but he finally made it in 2008 - alongside Darren Moon - John McNichol no less .
