

11/12/12

We had a very good turnout for the 11/12 event, and all the marshalls were very helpful. The only problem was the weather, which was very cold and it just didn't seem to be our usual. Here in the north...

The Northmen trials. I can't remember the date, but it was on 11/12 (or 13), for which we can provide you and your club with a copy of the results. We'll keep you posted!

Well, then it is,

the fact is, we had a very good turnout, which most of you won't know about. This is because, in addition to the marshalls, only eleven marshalls were left to do the job of marshalling. We had 21 entries on the closing date which is an all time record and 27 on the day. 3 people non-started, bringing the numbers down to 24 of which we had six! And we couldn't even raise a full complement of marshalls. Howard and Diane White and Pat Goodall, gave up points to Marshall, Steve Lee did 10 tests, and I did one, as well as all the other marshalling, setting up the scores, results, balance sheet etc. If this is the kind of support you give club events, it will very quickly cease to be a club. As it is, about three or four people are carrying the whole club, and are getting rather tired. Lots have some of you who take such pleasure in entering your favourite event marshalling on some of the others. Lots have some enthusiasm for something other than rallies, though even they are not overabundant. F.C.T's are non-damaging, the lower state of tune your car is in, the better and narrower wheels, or standard wheels, anyway, are essential. No special equipment is necessary, just a delicate right foot. Why don't you try it. You might like it, as the actress said to the Bishop! We are very lucky to have the use of this Park, which is the best local site for these events, so make the most of it. Other clubs are only too keen to enter at this site and I'm sure this event has done us a lot of good, locally, but where were you?

Those who did enter fared badly, possibly due to the greasy conditions, although it's very strange to find Anglias beating Imps! In fact Ilkley and District M.C. members took all the awards, which is not surprising, since they have a lot more experience than our members. Judging by our response, they won't be caught next time either. Jon Solk was fourth, and David Taylor sixth and last in class I. Ray Dickinson ninth and Keith Marr tenth in class II and Dave Lawton and N. Parkes third and fourth in class III. Class Winners were J. Spencer, Mini, on 40. J. Waterworth, Anglia, on 27 and Edgar Wadsworth, Darrivel, on 19. I must apologize to those people whom I put off entering on the day, but they would have run in the dark, due to the lack of marshalls to get things going early.

Well, there it is, I'm afraid it left a very bad taste in my mouth. The remedy is in your hands, since it's YOUR CLUB. Get with it, before it's too late.

We can only apologise, on the other hand for the indoor Rally that wasn't. No excuses, we, the Committee, made a cobbler's of it and we're sorry. It won't happen again, and we will have this indoor rally sometime soon. Those who turned up had an enjoyable naggin and natter, so all was not lost. The pub was pleasant so we might go there again.

The Party, on the 21st went very well. About sixty members turned up for the festivities. We had a disco on, which kept things suitably noisy and when it warmed up, suitably lively too. A few party games kept the fun going and a raffle for chocolates, perfume and air horns was very popular. Thanks to Richard Jackson's generosity, Paul Adelman's new Escort Sport will be both seen and heard in the New Year (Richard's ticket was drawn first, but since he has half a dozen pairs already, he left them in for a re-draw). A fine evening's entertainment for all.

Future events, all Rallies at this time of year, are the De Lacy Broadwinners, on 15th January in which F. S-B. partners, Stan Holl in Stans Saab V4 (touch of the Blonqui sts?), Ken and Richard also have a bash, with maybe a couple of others as well.

Jon Salk won't be going as he has sold his mini rallywagon, and taken delivery of a nice new Saffron Yellow Spitfire. Since Spitfires are not so fond of the rough stuff (I had one, I know!) Rallies are now out for a while. Just right for autotests though Jon!

Comiserations to Steve Wren who severely bent his venerable M.G.A. recently, in giving best to a large lorry. He thinks that it can be salvaged but it will take a lot of doing. Wonder what mobile he'll get meanwhile? They don't build'em so rough and rugged as M.G.A.'s anymore. (Stand up the boy who said "Thank Goodness
