FUTURE EVENTS

July 9th

Club Night PCT. Stubbings Farm, Otley Chevin. David Taylor and Richard Ineson are taking us back to an old favourite venue for this clubnight event. Entries will not be accepted after the closing date, so all those who don't get their entries in can marshal eh?

16th July

Noggin at the Shoulder of Mutton.

20th July.

The AUGUST MOON 12 Car Rally has had a date change due to a clash with the Dalesman, and is now being held as above. The name has also been changed to the "Summer Madness" (?) Rally. Anyway whatever the name, see Ian Gurnett or Pauline for details and entries/marshalling details.

23rd July

Clubnight ECONOMY RUN. Organised by John Wilson and Richard Jackson. The only details I have at the moment are that it will probably be run round the Leeds Ring Road, a distance of some 32 miles, or thereabouts. See John for entry details etc. The Barley Corn will be supplying the top up for crews afterwards.

30th July

Noggin at the Shoulder of Mutton.

AUGUST

Same again (Mine's a pint)

11th AUGUST

GYMKHANA, Sue and Richard are organisers for this Sunday Afternoons fun. Due to recent events I have no details of where etc. So watch this spot next issue.

13th August

Noggin at the Smiths Arms in Beckwithshaw.

20th August

Noggin at the Shoulder of Mutton.

24th/25th August

Right, well, if you don't know what's on on this date you are either a brand new member, or you will report to the Rally committee who will exile you to the Yorkshire moors forever, and never darken "Trackrods" door again! Of course it's the night of the fantastic, fabulous

" COSTA DI PLENTI RALLY"

First car away at 2301

SAC'S POT.

There hardly seems time between events to write at the moment, a very full programme indeed, and not only on weekends either. Tuesday nights are also on the agenda for competitive events. Let's hope the P.C.T. proves a success, entrywise, as the Sunday ones are just a wee bit thin on the ground at present. Sad news on this subject is that we have lost Whin Park for our P.C.T.'s. It has changed hands, the new landlord wanting a better return per acre than from rough pasture, so the bulldozers have moved in, and our old sites are now under the plough. So, on to hillsides anew! Once again, any ideas will be gratefully accepted and investigated. Steve Hazeldine found a good one at Stump Cross (The M.G. now has another exhaust!) but might be a bit small for the Shell League round. Thinking Hats on Please.

Very good that so many of our club members at Brighouse for the B.T.D.R.M. autotest recently. (The York one was postponed to the 30th) Easy to see why John Lyons has won it. He's so neat and tidy, it's ridiculous. Makes it look so easy too. Richard Ineson put up a great fight for his class before a late penalty dropped him a few seconds. Ron MacKinnon also went well for a second in class, but a veil must be drawn over the other times! Well worth watching technique wise though.

By the time you read this, Miss Sue Waddington, will have become Mrs. Richard Jackson. I'm sure the whole club joins me in wishing them the very best of happiness for their future life together. They have bought a few acres up on the moors, and have house renovations in hand. Plans for a 'Paul Ricard' on their spare land are under consideration! The new house will be called, I am reliably informed "The Stang Sherburn Watham Eppynt Triple C Speech House"! There is no truth in the rumour that it will have bamboo walls and you sit on the floor.

Cheers,

Steve Lloyd.
