FOURT COLING CLUB COMPETITIVE SVENIGO. STEEL

1st ARC .

Autotost at Tockwith organised by our very own Joz Waters and Derek Lee. Should be a good event, particularley if you are looking for abit of experience. Details and regs from Jez or Derek.

22nd LARC .

Autotest at William Forrisons Ltd., Town Street, Worsforth. Organised byPeter Silberberg. This will be the first time this venue has been used and should be an excellant event. So all you experts, semi-experts, novices and beginners come along and have a go. Details from Silbers.

Again held at the crost rotel at Oplton, Greame Brackord laid on avery compact event of 18 to tests and with only 10 entries it was all over by 1.00p.m. which followed the tradition of previous years.

The path tic entry meant that there was only two classes i.e. front wheel drive & sports car and rear wheel drive.

In class 1, Richard Ineson and Ron Lackinnon got involved in their own privatescrap as, the highest place at the end of this event took the Trackrod Autotest Championship, so it some became intense stuff, especially as Ineson collected a washout on test 5, ackinnon thought it was a plot when told about it and then he too collected a similar penalty on test 6:!! Theson led by just 6 seconds and this tended to overstadow the rost of the close hark Tierney and Alan Lilly again locked in battle which was all over bar the shouting when Tierney collected a washout on test 9 and a 20 penalty on test 10, and with that 50 second penalty he was only beaten by 8 seconds!!

Cerald Taylor was having problems blowing away the xmas cobwebs and eropped 20 seconds to Inoson and Eackinnon on the first four tests, but the "dozy duo" started collecting washouts and so pulled pulled back only to be left be and whom they sorted themselves out.

In class 2 John Renny was having it all his own way against Ian Gurnett who was doing exceedingleywell in his bog standard. Cortina .Carl Gommersall eventually retired his Escort when reverse gear proved to be too difficult to find let alone engage. After 18 tests Ron Mackinnon emerged fastest time of the day just 2.0 seconds infront of Ric and Incson both trying equalley hard but Ron's fumbles took that bit less time than lichards. Lany thanks to the organising team of Greame Bradford, with results coming from Brenda Incson and Lindsey Eackinnon and all the margualls for doing their bit.

LEOR TARY'S U. LITTE.

Yet another month gone by and here I am with another blank poice of paper infront of me wondering how I can kindle that small flame of enthusiasm that is somewhere hiding only just managing to keep alight. (That last paragraph was pretty good wasn't it!!)

The Dinner Dance went down very well and a good time was had by all eighty of us. The food was hot and nicely cooked. Wendy Peters did her thing and seemed to do reasonabley well. (Find you at the money she charges it bloody well should do!) Chris Lord gave a very amuzing speech, having a dig at just about everybody in the club. I thought he did very well indeed, as he must have read time quite afew back editions of the club magazine to come up with so much inside information. Rod Parkin said afew words, emphasis on the word fer, personnally I think he did it just about right, not to long, not to short. (As the actress said to the bishep!) All the guests have asked me to pass on their thanks to you(well the few of you who went) most of hem commented that it was one of the best dinners they have been to in the past few years. I always think its ashame that we can't get more of you to come along to the dinner dance as I am sure you would all enjoy yourselves.

Congratulations must go to Dave Aclsall and John "nik hik" Bowness on thier very creditable and good result on the Three Swans Rally.namely 1st novice and 16t overall. You will find Dave's named somewhere else in this magazine, guess-where-Give in. Well if you look in the new members column you will for that he has only just joined Trackrod and beloive it or not that Three Swans was his first competitive event, he's not wome as autotest or PCT or anything, so this makes thier result even ... still. Could this be the taste of things to come? I one so ear I am sure everybody in the club hopes, so too and we can only with. them the best of luck for the future. Another newcomer out, on the event was Carl Gomersall who did very well also gaining 12th in class and 24th overall. His navigator was Ronnic Loore, Chanks alob Ronnic for taking the time and trouble to guide the younger and inexperienced members in the club the right way, its a shame we haven't got afew more members who will take these youngsters under their wing as this is the p only way we are going to develop young talent and keep the competitive side of the club strong thus strenthening the membership generally.

The Three Swans also saw Trackrod proving themselves in another field, as we provided the results team that did the job so

operation was Rod Parkin whose valuable experience in this field proved a nescrity, particularly as he was the only one of us who had been involved with results of this nature before.

Sholl League results were:

Well, I'm still trying to find someone to lend us a projector so that we can have some film shows, so if anyone knows anybody who can help us out I would be obliged if they could put me in touch with them.

I think thats it for another month so I'll leave you with it and remember remember any complaints, any proble s or you just want somebody to shout at, your auntic Peter is always there!!

PETER M. SILBERBERG. SECRETARY.

By the way if anybody has any complaints about the typinger the spelling, go shue shuve it sideways, with feeling!!!!!
