OCTOBER 1984

Editorial

Well, here it is again, with just a few more pages than the last issue. Thanks to everyone who supplied me with articles, keep them coming. In this edition is a return of the Trophy Points tables, a word or two from some Committee members, and a puzzle. There is also a mention of the Quip Stages Rally and RAC Rally, so make a note.

"Scoop" Munnis, editor of the "Scoop" column, has now taken over as Editor. A right time too, as I am leaving the club.

Sec's piece

Hopefully this issue of TRACKROD Magazine is a fuller version than last month's, and you will be able to read about some of the efforts being made on your behalf by the new committee. For my part I intend to keep you all informed of committee decisions and discussions. On a pleasing note our club is now a member of the Association of North Eastern and Cumbria Car Clubs (ANECCC) so let's hope the more active of competitors can take advantage of this.

A considerable amount of time and effort by our Social Committee has resulted in one or two new (to newer members) venues for clubnights having been arranged, with bigger and better facilities. It is our intent, however, to continue to meet at the Crown and Shoulder of Mutton on the first and last Tuesdays of the month, respectively.

The Annual Dinner and Dance, and awards presentation has been fixed for Friday 25th January 1985, at the Ladbroke Mercury Hotel, Garforth. That well known duo, Ron Beecroft and John Millington have accepted an invitation to act as Guests of Honour, and so a lively night is promised. Details of menu, prices etc. will be available soon.

The last committee meeting discussed the present state of club equipment, and consequently all committee members agreed (?) to attend a working party at the equipment store, Marshalls Builders, on the A65 at Horsforth, 400 yards NW of GRANDWAYS, on the morning of Saturday, 20th October. Anyone who would like to help will be made welcome, don't forget "many hands make light work".

Finally, a mention about the Shell League. Our present position, a lowly 8th O/A with two rounds left, means we could well finish outside the top 10. This would mean that we couldn't organise a Shell League round next year, and therefore suffer financially. A full entry for the last two rounds - the Larkspeed Rally on 20/21st Oct. (£25 award for the best Trackrod crew), and the North Humberside autotest on 28th Oct. are vital. John Renny has the regs for both.

John Bean.
Secretary.

EVENTS CO-ORD & COMP. TMC'S PRICE

My job is to inform you, to the best of my ability, of everythin' that's going on in the competition world throughout the next year. I shall be writing few recgs of events I feel you might be interested in but if you have any specific requirements I will try to oblige. I will also be the recipient of regulations from member clubs of the AFCC & ANGCC who have issued invitations to us.

As you may, or may not, be aware the club holds an entrants licence which I now hold on behalf of the club. We like you to enter events under our name and this requires you to present it at the event. If you do not have a copy and want one let me know.

In addition to the post of comp. sec I am responsible for co-ordination of both inter club and closed to club events. This means that I shall be looking for likely candidates to either organise or learn to organise events in the TMC calendar over the next year. If you have any aspirations in this directions I shall be happy to hear from you. Duckin'; the issue will not get you out of it.

Martin Kamp

Comp. Sec & Events Co-ord, also novice typist.

EAC RALLY

Provisional details are that we will be sharing a 30 mile stage with Alwoodley RC in Dalby Forest. The stage is to be used twice and will open just before midnight on Monday Nov. 26th and close around noon on Tuesday Nov 27th. The stage will be live for twelve hours so once you are in you will have to stay in. Make sure you bring plenty of warm clothing, hot drinks and food. It's going to be a long night.

MEMBERSHIP SEC.

As membership secretary I see my job as a one-man heavy mob to persuade, cajole and force people to put their names where they are every year, i.e. pay their subscriptions. I also keep records of addresses etc. (so we know where to send the bairiffs). If you are lucky you may even receive an up-to-date membership card.

My other job as equipment sec, is still a mystery to me as I write, the only thing I know is there is a caravan and loads of stakes, what else I shall discover shortly, and as soon as I know what we have I shall get organised until then, see you at the pub/committee meeting/rally etc.

Rebecca Kemp.

END OF TROPHY POINTS

Here we are folks after missing a few months. As you know there was no magazine in August, so no trophy points, and I did not have time to catch the September issue being snowed under with the Lookout Rally followed by the Costa and the yachting trip to London to the RAC. However we have nearly got it all together now, the tables below are up-to-date as far as I am concerned with the exception of three club events :-

Glenorchy - awaiting organisers to give details.

Lookout Rally

Cocca di Pienti - awaiting results

PSUE AND HUNG YOU MAY HAVE TO CLAIM

All these items will be brought up-to-date for the Nov. magazine
