EDITOR

Welcome to the March edition of the club magazine.

I got my wrist slapped at the last committee meeting for failing to print details of a film night intended for February, as a result it will now be held on March 11th, see elsewhere in the mag. for full details. Membership at end of Feb. was upto 86, with 67 renewals and 19 new members.

The weather played havoc with the National Breakdown Rally with the event being stopped 14hrs. early as a result. Trackrods stage was brought forward from 5.00am on Sunday to 6.00pm on Saturday night. Hopefully one of the stage officials will have written an article on the events leading upto the running of the stage.

OBITUARY.

It is with deep regret that we have to record the tragic death of Alan Sunley. A member of the motor club for a few years Alan was an enthusiastic participant

The Club extends its condolences to his family and close friends on their sad lose.

Chairmans Chat

Hello folks - sorry for not writing last month but I thought you might have heard too much of me during the Dinner Dance 11

January and February have been and gone now and with them the first round of the Shell League championship, the 3 Swans road rally. Although Alan Powell and myself were in attendance at the start, yours truly made a classic navi slip on a WD at PC I. So as Alan was not over the moon with me, we decided to return home, hurt but not broken, to mull-over the next event we might have got. January also saw the Annual Dinner Dance at the Mercury Motor Inn, a super do, which I can safely say was appreciated by all present.

Not much happened in Feb. except a very poor turn out for our table top rally on the 4th. Lets have more crews in March please. The Nat. Breakdown Rally ran amongst confusion as the weather took its toll of the number of stages ran, a very slippery Dalby was run once, thanks to RKP and team.

Louise Goodall is now able to vote, she became of age on the 21st Feb. Happy Birthday Louise !

On a sadder note, one of our members was involved in a car accident in January and was killed, Alan Sunley; to his parents, girl friend and friends, Trackrod extends its sincere condolences.

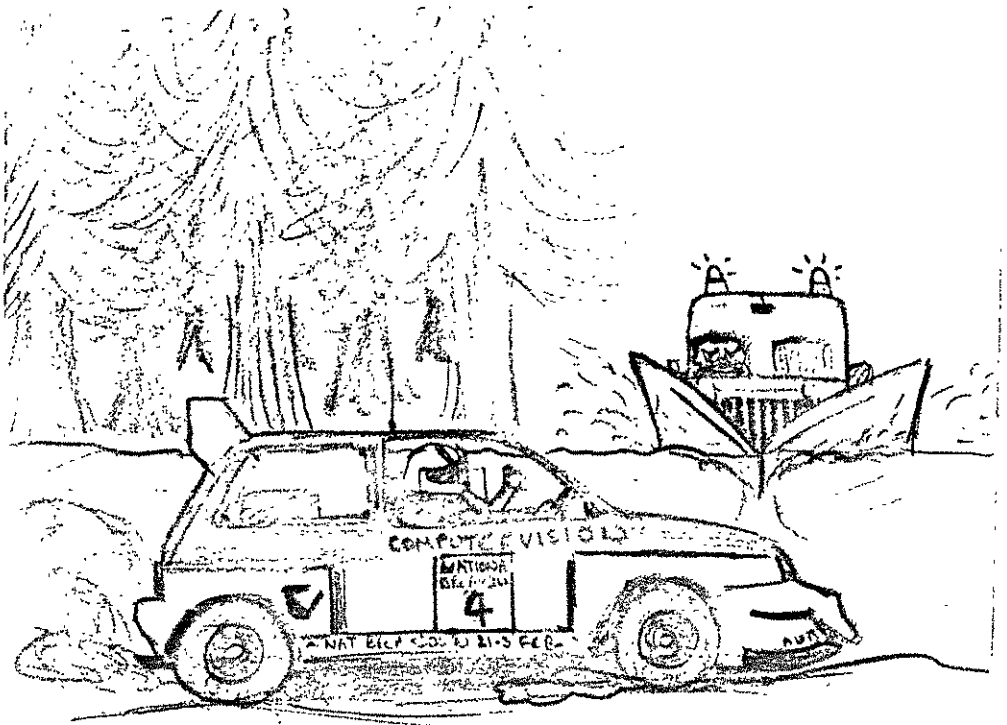

Well folks, thats all for now - see you next month.

Happy and safe motoring please.

National Breakdown Rally

Just to thank all of you who managed to get to Dalby on Sat. 22nd Feb. for the National Breakdown rally. I know our stage was due to run the Sunday but I got a phone call at 8.00am on Sat. informing me of the change of time. I tried to contact as many people as possible.

Team work was excellent! How we managed I'll never know, marshals, radio operators, timekeepers just appeared! Very many thanks to you all.

In view of the few events that have taken place so far this year, and the few results passed to me, (only the 3 Swans so far) it is not yet worth while displaying the tables this month. Hopefully for April's Magazine I shall have some figures worth displaying as things warm up in spring, in more ways than one.

Willie Wonka Indoor Rally Championship
Round one was held on Tues Feb 4th at the Crown Hotel, Boston Spa. It was bitterly disappointing that only 2 crews took part, these being Andy Munnis, and Dave and Ian Dixon. The event was a bit of a runaway for Dave and Ian, as Andy brought an old map and had to retire halfway (thats being generous, I didn't even make TC2 - ED) being

unable to continue further. I only hope that the next round is better supported otherwise I shall seriously consider calling it to a halt. It is not fair to ask people to spend time and money organising an event when only two take part.

Results	Team Dixon	27 pts.
	Team White Rankers II	21 pts

Due to the extremely bad conditions on the Nat. Breakdown Rally, would all members who marshalled on Dalby stage please let me know. If you had as much trouble as I did to get onto the stage, you won't have seen a 'signing on' sheet.
