No 186 JUNE 1986

EDITOR

Welcome to the June mag, with summer hopefully here at last, the year now moves into full swing. Next month sees the Lookout Rally running; here is an opportunity for our newer members to either compete or marshal, and gain valuable experience. To assist in this vain we are going to hold a series of training even.ings over the next few months covering a number of topics.

The AGM is also not far away and a form for nominations to the committee is included in the mag. If you would like to be a member of the committee and the opportunity to aid the running of the club then put your name forward; even if you are a relatively new member, your opinions, ideas and endeavours are all valued.

DUCKHAMS LOOKOUT RALLY

It's coming! It's on July 26/27th 1986! It's starting from Tadcaster Albion Football Club!

Yes folks the Duckhams Lookout Rally is on July 26/27th, our highly successful rally for novices and beginners. As last year we have put in a semi-experts class for the quick boys, but the main event is for the beginners. The event again is sponsored by Duckhams Oil, and starts from Tadcaster Football ground as usual. As before the usual refreshments will be available at the start, including food, and the finish is again at the Buckles Inn which must be one of the best venues in the area, especially with the excellent breakfasts provided there.

This year we have an extra award presented by Leeds Mini Spares Ltd., which will be awarded to the best placed Mini, irrespective of any other award that car may win. At the time of writing this the regs are in the process of being printed and will be available on club night, Tues 3rd June, for prospective entrants.

I would like to remind competitors for this event that "Closed/Joint rallies" no longer exist, they are now classified as "Clubmens

Rallies* and YOU WILL NEED A COMPETITION LICENCE. Licences can be obtained through the organisers, but if you need one apply to the RAC NOW!

If you cannot compete, then come out and marshal, the route this year will be the best ever, for both entrants and marshals. One way or another we look forward to seeing you on the night.

The Organisers.

Membership News

The club membership now stands at 113. Welcome to the following new members: Bernard Fernyhough, Tony and Mark Ryan, Martin Powell, and Andrew Thompson. We all hope your association with Trackrod Motor Club is an enjoyable one.

WILLIE WONKA INDOOR RALLY CHAMPIONSHIP

Round 4 (final)

This round was held at the Crown Hotel and organised by Team W.R. II (Andy Munnis and Steve Hitchcock). The event was poorly supported with only Team Dicks On and Oscar Tango Solo taking part. It was an excellent event and a quick dual between the two teams with OTS winning by 6 pins. To make a change, WR II had organised the event purely on time, with time penalties for incorrect answers, a novel way which proved entertaining.

Due to the lack of support the Indoor Championship WILL NOT BE NEXT YEAR. To those of you who moan about lack of clubnight events you have only yourselves to blame.

Having said that, the Willie Wonka Trophy may appear under a different guise next year.

SHELL OILS LEAGUE 1986

After along pre season lay off Airedale & Pennine received 50 entries for their Autotest at Hartshead Moor Services

The weather was fine but very windy. There were three tests laid out which were to provide some very interesting and close battles during the day

Trackrod had a team of 4 on this occasion those being R Mackinnon, J North, M Boast and yours truly. Ron John and I were in a class of 24 so some good points were possible and Martin was in a class of 11. However John unfortunately had to retire due to gear box failure just leaving 3 to score this we all did and very well too. Ronnie scored 101.3, Martin scored 46.4, and I scored 66.5 giving Trackrod a total for the day of 214.2 and sixth on the day but only 40 behind the winners North Humberside on 253.2

Overall we are now third behind Shiply and Alwoodley with nothing in it, the top 5 are

1 Shipley	533.9
2 Alwoodley	461.0
3 Trackrod	458.1
4 Selby	364.7
5 Bradford UMC	306.2

The next round is Y.S.C.C. Hill Climb on the 8th June at Scammonden Dam. It is hoped that Trackrod will field a full team on this occasion to keep use right up there in the running.

My thanks to Ken Goodall for the lone of his car for the last round it was much appreciated and to all those who turned out in support of the team.

Team Captain

It would seem that our entry to this years
bed race was late and therefore not accepted
so unless I come round at the last minute
we won't be there
