EDITOR

Right before anyone mentions it - OK I did get lost in Scarborough whilst doing Course Closing Car on the Quip. However I will make a deal with you. If you don't mention that I got lost, I won't mention the fact that we closed the last stage (Oliver's Mount) 3 mins after the last competing car finished it.

Anyway enough of that, what more can I say? ("Nothing" I bet you're all hoping). What a lot of articles!! I've typed my fingers down to the elbows this month. Thanks from the club for all your efforts. However I must apologise for the delay in starting the "Experience Rally" article. Unfortunately what with the Quip just finishing and the RAC coming up, the two people I asked to put something together are a bit tied up at the moment. But it will definately start next month and I assure you there will be an expert in some field of motorsport (be it organiser, competitor, rally enthusiast or autotester) sharing some of their knowledge with us in every issue.

More roving reporting to come next month not only in "Experience Rally" but also on the Quip Forest Rally and the Crystal Stages.

Happy reading

RAT - Ed

CHAIRMAN'S CHAT

Hi! The October magazine already! Temps certainly fudit, doesn't it? It's about this time of year that we should be looking forward to thrashing through the lanes of North Yorkshire but since the RACMSA decided to alter Road Rallying into a weak dilution of it's former status, there seems to be a large hole hole in the sport which present events can't seem to fill.

Who would of thought 5 years ago that the Tour of Mull would struggle for entries. The same goes for classic events such as the Colman Tyres and the White Rose which also attracted small entries. Some previously prestigious rallies have even ceased to be e.g. The Three Shires, Allertonshire and our own Costa but I suppose this was the original intention. (Some of us still see the new format as competitive for both driver and navigator - only different. - Ed)

Well that's enough lamentations for one article so what's been happening recently on the rally scene.

Unless everyone had left the country or had become an ostracised hermit, no one could have failed to notice that the Quip Forest Rally was last weekend. I think Rod had everyone in the club doing something on the event and from my point of view it ran like clockwork. It was well received by competitor, marshal and spectator alike and in these days of super expensive high tech rally cars it was good to see an old banger coming good and winning. Well done Steve Bannister. At times like this it makes you wonder why a talent like Steve is overlooked by the big teams who don't give him a chance to prove what he can really do internationally.

In the more domestic front there have been a lot of mutterings about the Mr Anger article in last month's magazine which generally slandered

the club, the RACMSA and presumably myself. Whilst the article doesn't bother me the language was uncalled-for and the general contents was totally inaccurate. Open forums happen every month - the response is chronic but we will percovere. The original Mr Angry was amusing but this type of article is going too far. In my opinion enough is enough and if anyone is discontent then you should make a point of speaking out and airing your views. Perhaps you have ideas that no-one has thought of and might well be of benefit. Give it a try!

That's all from me and I'll see you all on the Crystal in Wetherham on the 16th.

PLUS PREPARATORY MARSHAL'S MEETING AT SAME MEETING

On the same night there will be a Marshal's Meeting for the Lombard R.A.C. Rally.

"Have no fear Roland is back". Oh dear I hear you all say.

With the new ideas and the new people on the committee things should improve by leaps and bounds. Hopefully the "Experience Tells" article will prove interesting. With my new daughter taking up most of my time I havent done a great deal. The Quip Rally was great fun although as Sponsor Liason Officer in charge of 700 people, it was very hard work. On the day I was talking with some very high ranking R.A.C. officials who were favourably impressed by our organisation.

Hopefully with all this talent in our club we can continue to expand and create more and more rallies.

QUIP FOREST RALLY

- 24th September 1983

Alan Powell/Pamela White
Car 61

Just to support the club (!!) we thought we would have a go at the Quip and give Banner a run for his money!!!

Seriously though we found the first 5 stages a bit slippery and changed tyres at the 1st service - a good job as they were down to the canvas! Traction was much better and after that we did not slide around as much.

Dalby 2 was great fun but we were thankful that the bolts were tightened up before the start. I think we would have been ejected on the jumps.

Unfortunately as we pulled away from Wykeham 1 the gear lever parted company with the gear box and we only just managed to ram it into 3rd gear to complete the stage. The rest of the rally was completed with mudstrips - no turn slips.

At Scarborough the tyres were changed from normal road to motocross Oliver's Mount which was a very transfer free, we seemed to leave half of the front rubber on the Mount!

At the dinner we were third overall and 1st Production Crew, all in all a good event and well organised. Thanks to Ian, Peter and the other Peds for servicing. Next up is the Castle Stages - watch this space.

MARSHAL'S MOMENTS - if you please.

Right all you lovely club members, now that the Costa and the Quip are behind us for another year, (and both a great success) it's now time to give a helping hand to the other clubs who have given up their valuable time and effort to help us.

The two events in question at the moment are as follows:

Event #1

Crystal Stages, Sunday 15th October,
GSK in Ryketham Forest
Stage operations 10.15am
Last train 11.30am

Quipperella

Levishorne Libel Stage 2.30pm from and a chance to have a sit in on the Sunday.

Event #2

Wingate Hill, Saturday, 20th October
Last train 11.30am

Quipperella

The Quipperella has a break around 10.30am so we can only meet at half past ten and then go outside after the last train.

From the folk I have talked to, other clubs help out on the events and when there is a closure we have to give a little back.

North Humberside Crystal Stages

October 16th

SS2 Wykeham

Following the enjoyment we all had on the Crystal last year, this year we have been allocated a stage on this excellently run North Humberside event. The first car isn't due until the sociable time of 11.30 am and so we're all expecting a good number of marshals. The event is also a round of all of the Major Championships and so we can expect a very decent and entertaining entry.

The stage Officers are:

Stage Commander: Richard Simpson

Duty Stage Commander: Poland (Rut) Cross

Chief Marshal: Malcolm Jagger

So please give your names to Malcolm and he'll see you on the day.

LOMBARD RAC RALLY

Thursday 24th November
Special Stage Langdale

Well the Quip is over for another year and our attentions must shift to another other rally that visits this area but once a year - The Lombard RAC. This year we have managed (due to the start being in Harrogate this year) to land two jobs for the club. There is the "In Control" to do in Parc Ferme on the Wednesday evening - 1st car due at 19.00 - and then there is Langdale to run on Thursday 24th - 1st car due at 08.25.

We therefore need everyone's help to man both. Poland has put a list of jobs on the next page and so if you are interested in one of them then please contact me.

TRAINING EVENING FOR THE LOMBARD RAC

There will be a training evening held on October 13th. the venue will be confirmed where we will be teaming up with Alwoodley M.C. It is hoped that everyone who wants to do anything on the event will attend. John Richardson will be doing the training and therefore there will be something to learn no matter how experienced you are.

Don't forget the 13th and the venue will be announced later.

SHELL LEAGUE REPORT 1988

O.K. so it's been a long time since the last report, but I'm sure that all of you who really wanted to know how we've been doing in 1988 within the Shell League already knew!

For those of you who are of the shy disposition... I shall continue. All ten rounds have now been run and the overall positions made final. As you will know from my last report back in June we had been as high as 3rd overall after 4 rounds, but since then we've suffered a number of setbacks. The water is all under the bridge now but we can still learn from our mistakes this year, and look forward to a more successful time next year.

On a happier note, well done to our 3 crews on the last round who managed to be 2nd best club on the day! To Tom Whittaker/Vince Fletcher for probably one of Tom's best results of the year - a well deserved 5th in class! To Pam White/Richard (Mr.) Chairman Simpson for another well deserved result (after a 10-10 year!). Pam peddled her Escort to 7th in class out of 18 starters!! (See she can keep it on all fours!) and finally to Steve Sanderson/Stuart Bell who made another really good effort to come 10th out of 18. These results netted us 2nd on the day. YEE-HA!

So after all 10 rounds we managed to finish 8th on the overall table, beaten only by 20 points by A.S.C.C. (If only we had a full team on every round!!)

FINAL RESULTS

1st	Selby	1901.1	11th	Alwoodley	997.0
2nd	Shipley	1725.0	12th	Ripon	681.5
3rd	Dikley	1714.5	13th	Sheffield	601.9
4th	Gadale & Fen	1687.5	14th	York	504.8
5th	N.Humbershire	1559.7	15th	Leeds	495.9
6th	Stretford	1430.9	16th	N.W.Literary	306.7
7th	A.S.C.C.	1299.1	17th	M.Q.N.E.	190.0
8th	Tractrod	1278.5	18th	De Lacy	51.5
9th	David Brown	1229.0	19th	Beverley	1.0
10th	Huddersfield	1091.7	20th	Otter	0.0

To finish off please make a note in your diaries for a super Prize Presentation and Disco at the Novotel, M606, Bradford on November 17th. Tickets from me when they become available. (Price about £6.00). Don't miss this one because it's a brilliant do!

All the best.

MOONRAKER RALLY

7th August 1980

Pamela White/Richard Simpson
Car 27

After being frisked by the soldiers (oh what fun!!) we made our way to scrutineering and noise check. Formalities over and on with the rally.

The stages were fairly straight-forward but more suited to out-n-out racers than Turbospeeds! The car was hampered by a dubious carb (but it did do better than Alan's borrowed carb on the 3 Swans!) which meant we lost valuable seconds on each stage.

I had to strip off at each service as it was so hot (well I did nt realise that it was the car which was supposed to be serviced!). Next time plenty of cold showers would be a good idea!

It was good event and we finished 29th O/A and 10th in class. Thanks to Peter White, Peter Colburn and Rebecca Simpson for servicing.

MR REACTION

I feel the need to comment on the Mr Angry article in last month's magazine (the one referring to "No B_____ Open Forums...").
