THE OFFICIAL MAGAZINE OF
TRACKROD MOTOR CLUB LTD.

No. 216

JAN. 1989

EDITOR'S

I think I said enough in the last magazine so I'll just attract your attention to a couple of points to look for in this month's edition.

The 1988 Club Championship Results are in the back aswell as the 1989 membership renewal form. Don't forget you'll stop getting this intellectual plethora of facts and knowledge if you do not cough up.

Sorry this month's mag is a week late but I'm afraid I succumbed to call of my breeding ground up in Tyne and Wear. But I have dragged myself back doon to the South of England to enlighten the rest of the world.

Happy Nearly New Year and just remember you don't hav to stop the drinking because Christmas has finished. Well that's my excuse anyway.

See you soon

RAT - Ed

CHAIRMAN'S CHAT

Well 1989 is on us at last. I hope you all had a good Christmas and I would like to wish you all the best for the New Year. I had a nice quiet family holiday which was nicely interspaced by the Boxing Day Autotest and the Sherwood Christmas Stages.

The former was well organised by Barry and Becky on the car-park near Yorkshire Post in Leeds. This proved to be an excellent venue and was well received by competitors and spectators alike. There were only 7 entries and 5 finishers and so the competition finished at a reasonable time leaving plenty of time to partake of liquid refreshment.

The latter was as usual oversubscribed and the week before the event Trackrod was well represented with 5 confirmed entries. However as the song says "what a difference as day makes" (never heard of it; must be by Zodiac Mindwarp or something - Ed) as eventually only 2 crews started the event.

Our day started at some unreasonable hour and after meeting Richard and Paul we arrived at Feldom Ranges near Richmond to find that the stage had already been staked out by Northalerton A.C. It looked like we were going to have a leisurely task ahead of us. Unfortunately things did not go as planned as we ran into snag after snag. Somewhere between the RAC Rally and the storeroom the wire on one of the Flying Finish Equipment reels had broken. Although it was repairable we did not have the time so we resorted to cruder forms of timing which worked remarkably well. Also a radio handset was faulty but this we managed to correct. Eventually after alot of running about we were ready and despite being desperately short of manpower (!!) the stages ran well without problems and finished bang on time. Thanks to everyone who turned out

and did as usual an excellent job.

By now you will have no doubt bought your dinner dance tickets for what looks like being a good night out. I'm sure that this event will be as enjoyable as the Christmas Party where everyone seemed to enjoy the food and music put on by Pam, Christine and Anne.

We should by now have more details of our Stage on the Cartel and so those interested should see John Renny for details.

See you all later.

SECRETARY'S SCRIBINGS

I hope you all have had a wonderful time during the festive season, hic!! Mine was marred by a small tragedy. "Targa" which was our largest dog (I'm sure some of you will remember him) suffered a brain tumour and was put to sleep during Christmas.

With the obituary over we turn our thoughts to three previous events. The November Scatter was well supported and both Richard and I were grateful to the competitors who took part. The Christmas Stages were verty cold but even with the snags the stages we ran went well. Due to my mother's birthday I could not attend the third but I understand Barry and Becky's Autotest ran very well.

Looking into 1989 all sorts of things are in the pipeline. The dinner dance should be very good this year so don't delay in getting your tickets. Soon after that will be the Cartel Rally (see John Renny) and I also have details of the Welsh Rally which is in April. More details either from myself or Malcolm Jagger our beloved cheif marshal.

Have a great 1989.

Richard Anderson
Secretary

Lombard RAC Rally 1988

Well yet another year has passed and another RAC has been and gone. I would like to thank everyone who turned out for either the stage or the control and special thanks to those who braved both and helped set up on the Wednesday.

The control ran without any problems and we almost managed to outnumber the spectators.

The stage went very well also. apart from Hannu unfortunately falling off just before Jn 3. Anyway thanks to the on-the-spot marshals he was removed without much of a delay.

The stage of the day if anyone is interested went to Wykeham 2 run by Mr. Slater. If it's any consolation he ran it twice so he should have got it right the second time, and hence they get the free places at the rally school. We will win next year, won't we?!!

Thank you all once again for your help and support.

November Scatter

A nice dry night saw 8 crews tackle the 3rd leg of the scatter championship organised by Richard Simpson and Richard Anderson. A compact route and easy navigation meant that there were infinite possibilities of a clean round. Not surprisingly this was achieved by the winners John McNichol and Ron MacKinnon.
