THE OFFICIAL MAGAZINE OF TRACKROD MOTOR CLUB Ltd

No. 233

July 1990

Dear All,

Sorry about the lack of articles this month but I haven't received any! What are you all doing? This is just not good enough. I can only put together a magazine if members get articles to me BEFORE the deadline, see the bottom of the page. I'm afraid your article on karting Becky will have to wait until next month when there are some more.

Well, I've been busy yet again Autotesting on the June Jesters and karting over in Bradford. The autotest was excellent with Baldrick running on top form with me finishing 7th out of 11. (We're getting there). We had emergency repairs during lunch changing the engine stabilising mount. All went well although it was more like an ice rink when the heavens opened. The karting was fantastic, in fact my helmet won't fit any more since my unexpected win in the event. All I can say is, well done to all those came along who created an exciting atmosphere even when it did pour with rain, and I mean rain!

See you all next month - with all your articles of course.

Susanne
EDITOR

**DEADLINE FOR THE AUGUST ISSUE IS
TUESDAY 31st JULY 1990**

Please don't be late!

So what's been happening this month?

We have had a lot of members out on the Scottish Rally this year, well done to John Smallwood who ran a stage on behalf of Alwoodley

What an excellent boat trip this year, it was fully subscribed and there were a lot of members wearing fancy dress. Near the end of the trip we had a contest as to who was the best, it was hard to judge but in the end Anne Moffat came first followed by Bernard Ferneyhough. Thanks to Anne for organising a great evening.

Autotesting seems to be getting popular with members. The June Jesters autotest, which ran very well, saw 5 of our members throwing their cars about, I think Richard and Matthew were regretting taking the roof off when it was raining!

The Karting evening went down well, I will let you all read the full report elsewhere. My only problem is Susanne is wanting to buy a kart and go professional now!!!

Well a year has past very quickly and the AGM is just around the corner again. After being on Committee for 4 years as Membership Secretary and this year as Chairman I am going to have to stand down. Over the year my job has changed considerably, I am now working in Glasgow and so it is very hard getting back for Tuesday nights! I will still be keeping in touch with the club and I wish the next Committee the best of luck.

So I hope to see you all at the AGM on Tuesday 7th August.

Peter Stanhope
Chairman

SEC'S SPOT

Another very slick meeting chaired by Vice Chair Susanne (pretty slick on a Kart track as well by all accounts - where were you lads???)

It was reported that the A.G.M. would be at the Lawnswood Arms, also noted was that several Committee members were likely to be standing down. Looks like we'll need a new Chair (settee as well please!) and possibly a Treasurer and 3/4 other members as well so fill in your nominations now!

No treasurer present, so nothing to report (working on the Annual accounts??). All Committee members were asked to provide the equipment officer with a full list of any club equipment they may have, and that goes for all club members too, in order that a full and comprehensive inventory of all club equipment can be prepared - this was agreed at the last A.G.M.! Oh yes, I reported on a letter received from a firm offering our club logo on boxer shorts - form a queue at Anne Moffats door! - All pretty mundane stuff really.

That's all for now.

Richard Ineson
Hon. Secretary

BOAT TRIP

Thank you everyone for your support in joining us on our Annual Boating Event. I've had good reports from everyone I've spoken to so far - they enjoyed it. Yes, maybe it was a smaller boat than last year's York trip, but obviously, Leeds is far easier for the majority to get to early in the evening. Thanks also to the insane element who had the courage to wear fancy dress - I'm proud of you all!!! I would appreciate any more constructive comments on the boat trip, please.

FUTURE EVENTS

BBO - 10 JULY

Tickets are now in circulation at a price of £1:50 per head. (The food will be from a different source this year so don't worry about the burgers going on fire). Look forward to seeing you all there.

ANNUAL GENERAL MEETING - 7th AUGUST

This meeting is important to ALL members so it will be nice to see a good turn-out on the night. The venue is the Lawnswood Arms (Private Room) so it will at least be comfortable. Don't forget.

Bye all.

MARSHALLING

May I take this opportunity to thank everybody who helped on the June Jesters this year. Everything went well apart from the weather, I have booked the better weather for the Lookout! After a very competitive day it was nice to have a home win with Richard Ineson taking FTD.

And now to the job in hand!

IT'S ON!!

Yes I know it's way off yet but now is the time to mark in your diary the 4th November 1990. Why? The Lookout Stages!

New Sponsor
Longer Lapped Stages
More Tarmac - Less Chicanes
Same amount of darkness
Larkspeed League

Regs available July/August. Marshals etc. see John Bean before he sees you
- Please!

IT'S ON A BIT SOONER!

Trackrods' 2nd event (sorry Rod!) the Forest Stages Rally is this year on the 29th September 1990. This year as well as the National Championship there will be a National Clubman Rally so more of you can enter.

We will also of course need lots of help running controls, running service areas etc. etc. See me with your requirements A.S.A.P.

IT'S ON SOONER THAN THAT!

It's the Hillclimb! Regs are out and Marshals are needed. If you fancy Marshalling on a hot summers day (19th August) please contact Graham Whitaker for more details.

IT'S ON SOONER STILL!

Yes it's the Mobil 1 - more stars, more stages and just to make it perfect Terry Harriman has promised NOT to come to this years Dinner Dance if we all go out and Marshal - look flash on't telly!

See Barry Dove for dates and details.

IT'S ON SO SOON YOU'LL HAVE TO REACT QUICKLY!

On the 27th July we are running a Sportonoggin at the Fox & Grapes. It should be good fun and cheap. The first entry will be at 20:00 and the last entry at 20:30.

There is also the Norking Forest Stages on the 9th September

This year the Tour of Mull will be on 12/13/14th October, it is nice to see the event running again this year and with closed roads! should be interesting. Marshals, Stage Commanders, Radio Operators etc. are required, contact Rod Parkin or Peter Stanhope for more details.

Then the weekend after is the Crystal on 20th October. We have been asked to run a stage, more details will be published when available.

But before all this is our Clubnight PCT, the Wharfedale PCT on Tuesday 21st August, contact Barry Dove for more details.

That's it for now.

Chief Marshal

LORD MEXBOROUGH PRIVATE CAR COLLECTION

After last years successful visit to see Lord Mexboroughs private car collection I have arranged to see them again!

We are again restricted to 25 members (paid up before 1st July 1990) to make it a pleasant uncrowded evening. The date for the trip is Sunday 5th August and we will be meeting mid afternoon at the farside of York. To try and make it fair I will first of all take names from members who did not go last year. Then after 10th July please contact Richard Ineson (0532 679329) who will take names of members who went last year.

This collection is not open to the public. There were lots of different cars last year including Porsche, Ferrari, MG, Lancia Stratus, my favourite being a Porsche 959!

Look forward to hearing from you all.

The Editors
Trackrod MC Ltd.

Dear Editors,

I just have to write to say thank you to Rebecca for organising the Kart racing at Bradford last Tuesday. I found it most enjoyable and great fun, but must admit to feeling a bit of a wally by the time Susanne had finished. Congratulations and well done to her.

Lets do it again soon.

Regards,

Mick Ogden

COMMITTEE POSITIONS/DUTIES

CHAIRMAN : Elected by members at the A.G.M. As the title would suggest he/she (or their nominees) Chairs all committee meetings and generally offers "direction" to the Club - passes on all the crap to the Secretary! Organise a monthly open forum. Oh yes, must stand up and say a few words at the dinner dance!

SECRETARY : Without doubt the most industrious of Committee members! - again elected by members at the A.G.M. and is responsible for maintaining full and accurate minutes of all committee meetings - name and address appears in R.A.C. M.S.A.'s "Blue Book" as the name and address for all formal correspondence to the Club. Also responsible for all official correspondence from the Club and catches all the crap the Chairperson doesn't want to do!

TREASURER : Appointed by the members at the A.G.M. to maintain accurate financial records of the Club's activities and present, with the assistance of the Club's accountant, a balance sheet at the A.G.M. Must also provide monthly statements to Committee on the financial situation of the Club. Is also the custodian and co-signatory to all Club cheques - definitely the person to keep the right side of!

EDITOR : Appointed by the Committee and responsible for the production/distribution of the Clubs monthly magazine, from obtaining articles from members and committee, typing, arranging for photocopying/collation (currently Alphagraphics in Leeds), stapling, handing and posting out (address's supplied by the membership secretary) the finished product - a job definitely not for the faint hearted!!

procure equipment used by the Club and to keep a full and accurate inventory of ALL club equipment. Arrange for the issue of equipment to event organisers and ensure its safe return - recording/reporting breakages/losses to Committee. Keeping equipment/equipment store in a clean and tidy condition. Definitely a practical person's job!

SOCIAL SECRETARY - Appointed by the Committee to arrange social events for the club members throughout the year from coffee mornings to the dinner dance! - needs to be able to chat up landlords for clubnight venues and members to organise table top rallies, training evenings etc. Also responsible for the club's merchandise/regalia i.e. obtaining quotations, ordering correct quantities/sizes as appropriate and marketing of the goods and liaison with the Treasurer concerning the financial proceeds. Plenty of scope here to demonstrate all that flair and imagination in motivating members to cough up for another raffle!

COMPETITION SECRETARY - Appointed by the Committee. Name and address appears in the R.A.C. M.S.A.'s "Blue Book" as the address for event regulations etc. Is responsible for the Club's monthly competition calendar in the magazine and the distribution of details of other club's events to which we have been invited. Usually doubles up as the A.N.C.C. representative and attends meetings accordingly (4 per year). Ensures that all club events have an organiser and assistants as necessary and reports monthly to Committee on events to which Trackrod is invited. Looks after the Club's Noticeboard and sees it gets to all clubnights.

CHIEF MARSHAL - Appointed by the Committee to respond to requests from other clubs for marshalling assistance on their events and ensuring that such assistance, once agreed upon, is forthcoming from the members. Produce an article each month for the magazine with all the marshalling commitments.

TROPHY POINTS SECRETARY - Appointed by the Committee to receive trophy points claim forms from members (within 3 months of the event), keep an up to date list of members claimed trophy points, publish a monthly up to date list of trophy points. TROPHY POINTS BOD

From the pages of Trackrods' Newsletter of July 1971.

We had a birds night autotest at the New Inn, Eccup, alas only 6 lasses entered but all had an enjoyable time, winners were Jacky Jackson (wife of Alex) and Alison Barrett, better known these days as Mrs Steve Hazeldine of Mitchell Fox fame! Also reported on was a P.C.T. at Stubbings Farm when 14 competitors put up with some pretty miserable conditions - wet windy, cold (sounds like July this year Ed.) but Dave Lawton, never known to be put off by anything beat the rest of them in his (!) Hillman Imp. Thanks were levelled at Denis Dickinson and Steve Lloyd for organising the event, though the latter was last seen been followed home by the sheep he'd rounded up on the morning of the event!

Hillclimbing members reported on many maladies at the Harewood practice day, Alex Jackson cooked his clutch, brother Richard broke his Imp's gearbox and Howard White/Barry Spinks broke their Cooper S's diff (again!). Editor of the day, Steve Lloyd (yes him again!) proudly reported the birth of son Richard proving (or hoping to!) that rallying wasn't the only nocturnal activity in which he was interested!

More from the archives next month.

Trackrod ends.

Richard Ineson
