THE OFFICIAL MAGAZINE OF TRACKROD MOTOR CLUB Ltd

No. 247

Sep 1991

EDITOR

A Happy New Year to you all. Hoping that you had a wonderful Christmas and are now looking forward to this year's events, which Trackrod is pleased to announce that under the helm of Peter Rutterford we will be running a Road Rally once again in August, so full support and help to Peter and his team.

Back to last year and we finished in great style with the Boxing Day Autotest, usually just a bit of fun to blow away the festive cobwebs, but this turned into quite a competitive event, with crews and marshals from Alwoodley MC. A great time was had by all.

You will read further on in this magazine that the Annual Dinner Dance is to be held at the Hilton National (Mercury), Garforth. Names to any committee member A.S.A.P...

John Renny is looking for helpers on the De Lacy MC International Rally next month, so again name to him A.S.A.P...

For those of you who had trouble in reading last month's magazine, I have increased the size of the print slightly this month so we can see if this is better. One or two comments have been made about finding other ways to offset the costs of producing the magazine but if you have any more we are here to listen.

Well that's all for now, but I would just like to say, here's hoping that 1992 will be a successful year for both you and Trackrod Motor Club.

**DEADLINE FOR THE FEBRUARY ISSUE IS
TUESDAY 28TH JANUARY 1992**

FROM THE CHAIR

Happy New Year!

1992 has finally dawned on us, a year that has promised so much for so long! I hope that all of you are geared up for the impending opportunities that will become available in the Single European Market - Production Car Trials in the Alps, closed road rallies everywhere (except the UK!) lots of new venues for autotests etc. etc. - seriously though, I hope you all have a successful and prosperous 1992 in your motor sport and other pursuits.

Just to sweep up the remains of 1991, the Xmas Party at Mick Britton's in Farsley was a good do that could have been a fantastic one had more people attended. Unfortunately our Alwoodley MC friends did not make it due to a breakdown in communications (!), however they did come along and support the Boxing Day Autotest with marshals and competitors. Hopefully this will be repeated in future years and is a pointer to the way to go if events, both competitive and social are to be successful. Already, planning is underway for the 2 Stage Rallies, our Road Rally and the Hillclimb for which your assistance will be required. Additionally, organisers are being sought for the April Fools Autotest, a round of the ANCC Championship so if you feel you would like to get involved please let the committee know.

As you are probably aware the Hillclimb in August is again being organised by Peter Stanhope as Clerk of the Course, who, quite naturally, is keen to relinquish this position as it is not very practical for him to continue from his Scottish homebase. So, after this year's event we will be needing a replacement! I mention this now as anyone who maybe interested can become involved this year on the sidelines to see what is involved, which is not too taxing, mainly letters and phone calls prior to the event, so please let me know if you would like to give it a go.

Richard Ineson
CHAIRMAN

SEC'S PIECE

I am afraid that with Christmas and my new buisness venture I have been too tied up to put pen to paper so I have asked Derek to just put a note in wishing you all a prosperous New Year, and to see you, if not before, at the Dinner Dance. I will also endeavour to find my pen before next magazine deadline.

Safe motoring.

Ronnie MacKinnon
HON SECRETARY

TROPHY POINTS

This year we have decided to use the ANCC points scoring system for our trophies, which is a little complicated to explain (so if you need to know how it works contact Ronnie MacKinnon), but briefly you get points for starting an event, points if you finish and points for O/A positions and Class positions.

You must claim points for anything you do including Trackrod organised events as the onus is on the claimant to claim his/her points not the Trophy Points Secretary. The 3 months limit will be adhered to again this year. So claim Early.

TROPHY POINTS SECRETARY

RAC RALLY 1991

Well the RAC has once again been and gone. On the day the event ran very well with hardly a hitch, not even a retirement on our stage. The Lombards guests were suitably looked after and were by all accounts very impressed by what they saw and had favourable comments to make about the courteous marshals on their particular corner, my thanks to those marshals for an excellent job. Even looking after the T.V. crews must be a first, hence the footage.

Just some figures for anyone interested, 174 Marshals/Personnel signed on at the stage start in the morning, although some had already signed on earlier in the event and did not bother to sign again, of those 60 were Trackrod members or related, that is nearly half of the membership, plus those with direct links not a bad turn out.

However, Tuesday's setting up of the stage was somewhat different. Paul Glover (a roped in friend) and myself set up the stage, 11.25 miles, 24 junctions, 4 chicanes and 3 over tightened bends. Barry Dove (Deputy S.C.), Becky, Russell and Jill also came along and set up the flying finish and stop line areas, and then helped to put the finishing touches to the stage. I think more people will be required next time so please show willing and offer your help, it is really needed.

Any way that's the moaning over with, and I would just like to thank again everyone for turning up on the day it is much appreciated. It was also nice to know that out of all the clubs in the area, when there were only 5 stages in Yorkshire Trackrod was asked to do one.

Many thanks again.

John Renny
STAGE COMMANDER

* * *

P.S. We have been asked to run a stage on the De Lacy International 5 miles in Staindale. Early hours of Sunday morning and they will be running though twice. Your help is again required so can I have your names A.S.A.P.

John Renny
STAGE COMMANDER

BOXING DAY AUTOTEST - 1991.

1. Alwoodley MC join us for our annual lighthearted bollard attack.
2. 3 tests laid out to make 9 in all, not too difficult, though an expert collects the 1st washout.
3. Only 2 classes, Novices and Experts.
4. 14 entries make for some half serious competition.
5. Howard White blows away his cobwebs and most of the experts as well.
6. Barry Dove, driving (though he claims that is the wrong definition) Ronnie Mac's Escort enjoys himself immensely and gets 2nd Novice, only 6 secs off 1st.
7. Dave Elliott of Alwoodley pedals his Nova GTE to good effect and collects best Novice, despite a washout and a penalty.
8. Peter Cohen's Fiesta XR3 starts peeing oil all over the place from its gearbox but continues, he also collects a washout and a penalty.
9. Graeme Bradford, home from OZ for xmas shares the Ineson Spyder with Matthew, and proves he has not forgotten everything finishing 6th expert.
10. Ronnie MacKinnon Takes FTD by 5 secs from Howard White, everyone wants a RWD car for 1992!
11. 12.00 and it is all over, wonderful marshals tidy the carpark, all the equipment loaded.
12. 12.30 - Drinks at Stoggy's on Westfield Road, awards presented and all present get loaded!
13. Thanks to all who made it happen!!

BELATED ANNOUNCEMENT BERNARD AND DAWN FERNYHOUGH

Congratulations goes out to Bernard and Dawn Fernyhough, who in August tied the knot in what I was told is an old Scottish traditional way. The wedding being in the local church and the reception in the brides parents back garden (field), and I am told that the refreshments were flowing well into the morning of the next day. This was know as the alternative Tour of Mull 1991. I would like to take this opportunity to wish them all the best for their future together and apologise for being so late in doing this announcement.

To Bernard and Dawn, good luck from Trackrod.....

Sorry for the delay, but it's better late than never - ED

Peter Rutterford
COMPETITION SECRETARY

From the pages of the Trackrod Newsletter of January 1973.

The "Castrol" Quiz, our round anyway, took place on 21st December and we got beat by BARC 1225 to 295 points. It was only later we established why they were so good and what the tape recorder was for, they visited other rounds in the area and taped all the questions!! Steve Lloyd wrote to Castrol in protest, enough to say that the "Castrol" Quiz died soon after.

A Stop Press item reported that Richard Jackson/Dennis Dickinson were 2nd in class 4 on the Mini Miglia Rally.

There was a belated full report of our fantastic PCT at Whin Park in November, 41 entries 38 starters, sunshine all day and the RAC Observer agreed to upgrading to restricted - hooray - now a days all we can muster is a clubnight affair!

New legislation on lights, of the auxiliary nature were published - basically if they are below 24" from the ground you can only use them in fog or falling snow!

The Newsletter adopted a new format i.e. A5 size/book form (similar to the 1992 version, though not as professionally turned out) which made for complicated stencil production and a nightmare for the typist.

Steve Rathbone reported briefly on a couple of recent rallies on which Trackrod members featured e.g. The Berwick Trophy and The Holland Cup. The Targa attracted Chairman Cantrill and Dennis Dickinson out in the latter's Mexico the results were not published except that the top 3 had no fails and the best mixed crew had 40!

Editor's joke department:-

"Geezer wants to know if we do arc welding??"

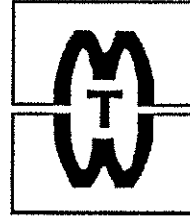

"What's 'is name?"

"Noah!"
