EDITOR

Well here we are again, but this time it is to be my last as I have be opposed for this prestigious position and have been asked to take on the higher position of Secretary. So as all of you who went to the A.G.M. at the Crown on the 28th July will know that the position of Treasurer is to be carried on by John Renny, yours truly as Secretary but as yet no one has stepped forward to take on the job of Chairman, any offers!! The rest of the Committee will comprise of the following people:- Anne Moffat; Stuart Marsh; Peter Rutterford; Vince Fletcher; Barry Dove; Rebecca Kemp; and Mark Midgley. A couple of new faces to help us along the way for the next 12 months and I would like to take this opportunity to thank those who have retired off the committee and to welcome those new faces and hope that they get the full support of the membership!

So this is my last editorial and I hope that over the last 2 year's that they have been informative and useful to you, and I do believe that my spelling has improved since I started. Although I knew that you read my pieces, because people would come up to me and comment on my spelling or if I used a spell check on the computer!

I must get on as I have to write a few more articles to try and fill this issue, so bye for now.

DEREK LEE

**DEADLINE FOR THE SEPTEMBER ISSUE IS
TUESDAY 25TH AUGUST 1992**

FROM THE BAR STOOL

Seeing that Richard has stood down as Chairman and as yet a new one not being appointed then this column is going in to pause mode. When the new committee has had a meeting and we can let you know the outcome in the next magazine.

Richard will still be an active member of the club and still keep on competing as long as his tired limbs will carry him! But I would like to thank him for the great job that he has done over the past two years as an ambassador to Trackrod Motor Club.

ED

SEC'S PIECE

Well yet again another thank you to Ronnie for his services and next month I will be writing in this section for myself, I suppose I have a bit of practice by doing the odd few for our retiring Secretary.

Ronnie will as, Richard, continue to compete as much as possible or as much as his new business will let him.

You may have all heard by now the the Costa Road Rally was unable to run, due to a small administration oversight and so the event was not covered by insurance. Although all effort to rectify this matter was taken by Rod Parkin, Steve Stringwell and Barry Dove we had no alternative but to postpone the event, and a hopeful date could be 19th September. So I would like to say thank you to everyone who came out and helped on the night and hope that after this dummy run we should get it right in September and we hope that you will make the same effort to help us.

TREASURE HUNT - AUGUST 23rd - NEW INN, ECCUP

We are now in a position to reveal that we have invited De Lacy, Otley and Alwoodley Motor Clubs to join us for our first Treasure Hunt for absolutely ages!! We would like to see some faces from Trackrod to fly the flag for the home team.

As revealed previously, sheet 104 may be useful but is definitely not essential as we will include route instructions with the clues. If you are not confident at map reading you therefore have no excuse for not turning up.

The route will be "less than 50 miles" and we are not using any rough roads so do not say you are frightened of damaging your car either.

You will be required to supply your own pens/pencils and a clipboard may be useful but most importantly bring your sense of humour.

So for a fun day out in the country with the opportunity to win prizes!! Join us at 10am at the NEW INN, ECCUP.

We hope that you will make all the organising worthwhile with a healthy turn out.

See you all there

Stephen, Paul and Nick.

P.S. A rough idea of numbers would be useful see us at any clubnight or ring Leeds 674326 (Nick) where you should catch me in mid-bodge, pre-Forest Rally.

"ROOKIE AUTOTESTER PART 1"

Sunday morning arrived and the nerves were high, yes it was my chance to have ago at an autotest. That kind Ronnie MacKinnon had said with him being away in Scotland that I could use his Escort with Derek Lee, so as to make up the numbers for the Larkspeed League.

A short drive round the car park to try the car out and get the feel of the clutch. Now was the time to walk round the first two tests to learn were to go. After watching the first five cars round the tests I was getting to know the way round. Then the time had come to start and with Derek going first, he managed to get round with no problems. Now it was my turn, up to the start line, last quick look at the test diagram then away we go. All the fear seems to go out of your head and concentration on where to go takes over. After the first test was over you breath a big sigh of relief that you have got through the first test with no mistakes and so on to test two, with no problems.

The first two tests were then repeated and after a slow start on test four, halfway round I suddenly lost all power, no acceleration and so I had to limp out of the test and back to the pits!! The thought of a broken car came over me, but after looking under the bonnet Derek found that a nut and bolt had come out of the throttle linkage, so it was a quick scrounge from Richard for a spare and we were back on the road again.

My times were started to come down through the day, and on one test I even got a faster time than Derek, but only the one! I think that I got over confident after that because on the next test I acquired a +10 for hitting a cone, but I was enjoying every minute. Then I had to retire after test twelve because as Derek finished doing tests 13 & 14 the gear box decided that it would play up and not allow me to select reverse properly. So my first autotest was over but a good days motorsport was put on by Alwoodley Motor Club.

Now that I have taken part I have seen another side to motor sport and the encouragement the other competitors and friends give you. My thanks must go to Derek for his help, to Richard for the spare parts and a big thanks to Ronnie. Sorry about the car!! (Not been serviced properly I believe!! - ED)

I have just received my results through the post and I came 11 in class out of 12, and 31 overall out of 32.

Paul Scruton

(Paul many thanks for your article and I am very glad that you enjoyed yourself, maybe Ronnie will go away again!!! - ED)

RETROSPECTIVE

From the pages of the Trackrod Newsletter of August 1973.

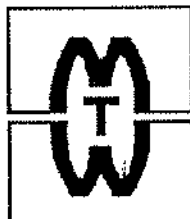

The SPY 44 restoration fund was announced following the 240 Z's spectacular demise on the Calderford Trophy Rally after making fairly severe contact with a tree! The impact was such that driver Richard Jackson suffered a broken ankle and navigator Dennis Dickinson chipped teeth and a mass of bruises. The 240 Z also got another mention for using a whole tank of petrol on a recent economy run!

AGM looming up on 22 August, results next month.

We were lying 4th in the Shell League which all seemed pretty impressed with. Paul Adelman had his Escort Sport raided for suspension parts by a competitor at Cadwell Park, whose similar machine had a disagreement with the scenery in practice on the corner being marshalled by Paul. The guy went on to win the race and returned to refit the bits afterwards, service indeed!

More new members about to disappear over the infamous hill :-
Roy Gibbs; Alan Forrest; Carl Davis; Mike Duffield; Chris Perkins;
(MacKinnon can't be far away now!) and R. Whittaker.

Who mentioned Ron MacKinnon, how come he has escaped the new members section? Anyway he scored some brownie points for correcting a mistake in the recent J.C.W. Autotest results which meant Ken Goodall won the class and not Ron. Always said he was a thoroughly nice chap, however he is also over the hill now!

A report appeared on the Autospeed Stages Rally run in June our contenders finished as follows :-

Jackson/Ashcroft	(240Z)	6th O/A
Dickinson/Cantrill	(Mexico)	33rd O/A
Powell/Millington	(Cooper 'S')	39th O/A
Kemp/Buchanan	(Cooper)	63rd O/A
Jackson A./Hazeldine	(Ascona)	71st O/A
Lee/Lee	(Mexico)	80th O/A
Newman/Rathbone	(Mini 1100)	96th O/A
