EDITOR

HAPPY NEW YEAR EVERYONE

I trust you all had a lovely Christmas and unlike me, didn't eat too much. Now we're in 1993, lets hope its a better year all round for everyone - longer days, lighter nights at last.

This month's magazine is fatter than I anticipated, considering the time of year!! but of course, we have had articles from the dedicated few and the Committee members for whom it is compulsory!!

Boxing Day Autotest went well - perhaps not so many spectators from the Club as there usually is, but all who went enjoyed it - I certainly did.

Okay, I'm giving you another shot at a Crossword - I know someone out there has all the right answers and the prize is still waiting.

Just to remind you, I'll be taking the magazines to the first two Clubnights to try to save postage - that's right folks, your Motorclub is trying to economise and needs your help. If anyone does have a good idea how to help raise the coffers, please let either myself or any Committee Member know - we'll perhaps give it a try.

May I wish you all good tidings for 1993.

Anne Moffat

CHAIRMAN'S CHAT

Dear All,

Ring out the old and ring in the new, 1993 I hope will prove a successful year for you all.

The last month proved a little hectic but one notable event was the "Mintex Rally Championship Presentation Dinner" which as in previous years, ends with "Flypast" with everyone present sending a paper airplane towards the stage. I have never seen so many variations on paper plane manufacture in my left, but a couple of exponents of the art must be Tom Whittaker and Darren Moon. For those who enjoy uninhibited fun dinners with lots going on, I would recommend this event.

On a more sombre note, it was a great shock to hear of the sudden death of one of Motorsport's more talented drivers - Dave Metcalfe. His what must have appeared reckless driving style in small F.W.D. machinery, proved the giant killing act on more than one occasion, his style and personality, shy though it was, will be sadly missed by all.

Boxing Day saw the annual Autotest/Cobweb Remover. A field of ten came out on a pleasant, cold morning to do battle, it would have been eleven, but I chose not to attempt the event in Nigel Drayton's beautiful Lotus 7. This was probably fortunate, as Nigel himself decided to derange the front wheel and steering (glad it wasn't me!). The event ran smoothly with plenty of support for C of C John Renny.

Trackrod crews did well and it was nice to see some Alwoodley crews present - one note is that Matthew Ineson was getting close to the old man's times. Look out Richard. Youth has its problems, one being the ability to handle spectator adulation as Matthew threw it away after being given tremendous support verbally, but succumbed to a little crowd pleasing, but still spectacular. Congratulations to all, results appear later.

Speaking of congratulations - a belated one must go to Darren Moon and Mark Midgley for their 3rd O/A on the Lookout. His first outing in Pam

White's old car proved Darren's skill well done. The car is now in for a refit, new arches etc., and a repaint, in readiness for the "Auto Trader Rally".

Well, as the Dinner Dance looms, its time for preparations !!! - may I wish you all the very best for 1993.

Bye for now.

Chairman Bazz

SEC'S BIT

First of all I would like to wish you all a Happy New Year from the Committee. I hope that by now the hangover's have cleared, and that you are ready to face the new competitive year of 1993.

The clubs final event of 1992 was the Boxing Day Autotest, which was well attended at West Street Car Park by both Trackrod and Alwoodley members. I would like to on behave of John Renny to thank all the marshals and competitors who turn out.

The Larkspeed League this year is one for the Ralliest's and Autotester's with 5 Autotests and 4 single venue Stage Rallies and 1 Production Car Trial, so come on let's all make an effort to be on top this year! To try and help us we have a new Team Captain in Peter Rutterford, so I hope that you will give him all the support that the Club needs!

Sunday 21st February sees the running of the De Lacy International Rally and we have been asked to run a stage in Staindale. John Renny has the job of Stage Commander and I his Deputy. So we need to know as soon as possible the names of those who would like to help.....

TROPHY POINTS

Just a line to let you know it's the end of the year and therefore your very last chance to claim your Trophy Points. (and what do points make ??? - ED)

All claims must be in by Wednesday 6th January 1993, as this is the last day before names go to the engravers.

Also, if there is anyone who I haven't managed to get in touch with by the time you read this, regarding the handing back of last year's trophies, could you please contact me so I can make arrangements to pick them up as soon as possible, as these also require re-engraving in time for the Dinner Dance.

Don't forget, a new year has started - so get claiming...

Happy New Year

Vince Fletcher
TROPHY POINTS SECRETARY

I am deeply shocked and upset about the death of Dave Metcalfe. 1993 would have seen the rise of a champion in the Formula 2 class of rallying. Dave possessed great determination, culminating in giant killing performances in the Nova and Astras - this led to great results, beating cars with twice the power. Dave's death is a loss to us all and we will sadly miss him.

THE MARSHAL'S TEN COMMANDMENTS

1. Thou shalt fall over thyself to offer thy services to The Cause and be in full readiness to attend thy task at all times, forsaking sleep, bodily sustenance, family, habitat and the demands thereof, holidays, rest days and the needs of thy humble employment.
2. Thou shalt keep thyself free from accursed ailments that would deter the lesser mortal, lest thine absence from thy appointed post cause chaos and confusion.
3. If perchance, the Shadow of Death falleth upon thee in the performance of thy duties, thou shalt remain in the position perpendicular, falling not upon thy time card lest this be smirched and rendered illegible.
4. Thou shalt lurk by the wayside in the furtive manner of the footpad or highwayman, concealing thyself craftily in the burrow of the rabbit or beneath the mossy stone whence many suspect thine origin.
5. Thou shalt show neither fear nor favour and thou shouldst suspect the motives of the damsel who would smile wicked smiles and breathe sweet somethings in thine ear and display silken hose unto thy fixed gaze. Alas, this is but a subtle trap to lure thee from thy task.
6. Thou shalt be awake and alert at all times and not asleep in the back of thy chariot.
7. Thou shalt expect to have heaped upon thy head all manner of foul and wicked words uttered by those thou hast aggrieved, but this thou shalt ignore with sweet smile and merry eye. If the words be of utmost obscenity, perchance, thou shalt double, nay treble, the penalty thou hast given, and may also suggest kindly that the utterer may find amusement in taking flight and performing the impossible.

Continues.....

8. Thou shalt be both amazed and perplexed if thy suggestion is acted upon and the impossible achieved, though thou shalt not fail to administer the maximum penalty as flight at low altitude and magical feats are both blasphemous and ungodly.
9. At the appointed hour, thou shalt abandon thy post unto Nature itself and, concealing such rabbits, hares and pheasants that have surrendered unto thee, make thy stealthy way unto the secret rendezvous where the covey of marshals is gathered, there to regail them with stories of thy wicked deeds and, perchance, tales of another nature.
10. Thou shalt remain aloof when competitors approach thee after the battle is o'er to ask thee what the devil thou meanest by giving them penalties when none were desired, for alas, most times they know not what they do and understand not the mystic ways of thy calling and that though thou mayest not always be right, thou art never wrong.

Will the writer please reveal thyself.

Thought it was about time all Marshals were given the basic rules once more

RETROSPECTIVE

From the pages of the Trackrod Newsletter of January 1974...

The highlight of the Social Calendar being reported on was the Xmas Party held at the Clapgate - anyone remember that bash ??? Apparently there was a good turnout with food and dancing to get everyone in the festive mood.

Much talk of the RAC "Green Paper" on rallying - you'll remember this was in the days of "real" road rallies - more would be revealed in the February Newsletter when it had been digested!

The 1973 award winners were revealed and would receive same at the forthcoming dinner dance:- Dave (bleep bleep) Lawton won the PCT title, Alex Jackson the Club Rally Championship, brother Richard was to collect the Shell League Trophy and the FSB Trophy; the Ladies Award was won by Janet Thirsk, David Place won the Service Crew Award. Dickinsons Ray and Denis were to collect the Marshalls and Navigator Trophies respectively and R. Ineson (who?) got the Off Road and Autotest Trophies.

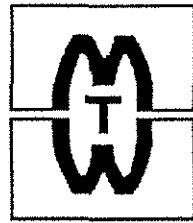

There were other well-knowns amongst those who didn't quite make it :- John Richardson; Martin Kemp; Ron MacKinnon; Carl Davis; Paul Addman; Steve Holden; Rich Stevens; Steve Lloyd and Sue Waddington (later Jackson) all of whom are now well over the hill.

Not much else to report as the competition front is at a low ebb, apart from the Boxing Day Qutotest on Woodhouse Moor, though surprisingly, it wasn't reported who won it!!
