July 1993

Editor

Hello again folks!

Well, nearly the end to yet another year and I ask myself, do I really need this hassle?? Do I have enough patience to do the job of Editor for another year?? Patience is one virtue I've never had!!

What can I say about our fabulous team who entered and **WON** the Interclub Quiz Night at De Lacy Clubhouse last month. Trackrod, you can do it again at the Quiz Night organised by Ilkley on 30th July - details further on in the mag! We can enter two teams this time, so give me your names asap please.

This month is going to be action-packed with Quiz Night at Ilkley, Shell Helix Challenge and the AGM. Please make an effort to show your bodies (fully clothed please!) on each of these important nights.

The Brewery Trip organised by Russell should be an interesting night to say the least, and before you say it, yes I know its in August, but your magazine clashes with that night, so I thought I'd remind you now.

Don't forget to nominate someone for next year's Committee. If you'd like to have a go, now's your chance - get your nomination form here, or talk to any Committee member.

Anne Moffat

DEADLINE FOR AUGUST ISSUE IS

TUESDAY 20TH JULY 1993

CHAIRMAN'S CHAT

Well, the AGM is round again and all those who have an urge to be on the Committee?? now's your chance. Just fill in the proposal form and await the reply.....

The AGM itself is to be held an Yorkshire Switchgear (now Merlin Gerin) Social Club, Meanwood Road on 27th July, 8.30 prompt.

Prior to this we have the Helix Club Challenge to be held at the same venue. Please make an effort to attend these nights, firstly because it's a new venue, secondly because its private and being opened specially. It would be nice to hear people's views on its suitability. Beer is about 100 pence a pint so its reasonably priced but it needs to be supported if we wish to retain its availability. On arriving at the gate, security will open the barrier leading to an arrowed car park which is camera observed for security. Then follow the arrows up the steps on the right (as you arrive) to the club.

Well its been a busy month, the De Lacy Seven Vales Rally being held at Home Farm was a bright affair on the infamous tracks in Tong Woods. The day dawned, cool but sunny as competitors arrived for noise check, with Rebecca Kept, assisted by Yours Truly doing the honours. All cars passed but suitable advice and warnings were issued to those on or close to the limit. Being in a valley, the venue, rough or otherwise, needs to be protected from complaints, so to this end, we decided to do noise after every pair of stages (unless we heard(Ha Ha) otherwise). The fly in the ointment was a 2500cc 6R4 full speck. How the hell does this type of machinery get an entry on a Clubmans single venue. The outcome was a convincing two minute win despite our attempts to remove the aforementioned for excess noise. When we tested it and declared its noise, Becky duly withheld his time card. Off he went, repacked all the silencers, returned and passed comfortably. Never mind!! perhaps Colin Heppenstall won't be so obliging the next time. An interesting event but contained a couple of suspect junctions. Gripping over - as the next paragraph shows.

After the Seven Dales, De Lacy Motor Club hosted the third round of the Inter-club Quiz, organised by Anne Moffat, Question Master John Richardson and Scorer Derek Lee. From the outset Ilkley were favourites with a strong side and they won their first round comfortably. Trackrod's first heat was against Alwoodley and De Lacy which we won by a good margin. The final was tough against Ilkley but in the end we were victors with a clear seven point advantage. One noticeable thing was the tremendous support for our team, with a brilliant turnout. My gratitude to fellow team members Richard, Peter and Stuart, well done lads, you were great!

Friday 25th June saw a trip to Manby Airfield to assist setting up the Colman Stages organised by Otley and Keighley Motor Clubs. Being a Larkspeed League round, we had only fielded two crews but did they come up with the goods!! Matthew Thomas and Anthony Dodds came sixth overall, second in class in their Escort (shows what a difference an L.S.D. makes - we had only built it on the Thursday night!) and Steve Sanderson with Rob Buchan came twelfth overall also second in class. Brilliant day's sport with over 90 miles of competitive stages.

Next on our calendar is the Costa Road Rally 31 July/1st August. Go and give some support to Peter and Mark and make the event a success. DO IT NOW!!

Well, as the club's year end looms, let's hope for another year of success. My thanks to all Committee Members and Officer for their support over the past twelve months.

Bye for now.

Barry Dove
CHAIRMAN

SEC'S BIT

I would like to thank everyone who turned up to support Trackrod at the Quiz night at De Lacy Clubhouse on the 18th of last month, to victory over Ilkley, Otley, De Lacy, Alwoodley and Selby. Going by the response that the Quiz nights have been given, there are talks going on about maybe starting a League. More details later.

Still on the subject of Quizzes, don't forget the **Helix Club Challenge on 13th July** at the Yorkshire Switchgear Social Club. So if you feel you have a good knowledge of motorsport and general knowledge, then make an effort and come along.

Another event to savour is a Brewery Trip organised by Russell Holdsworth on the **3rd August**. See article further on.

It is coming up to the time of year for running the Costa Road Rally on **31 July/1 August**. Mark, Peter and Team have put a lot of effort into this event, so if you can help in any way, please contact Mark Midgley or Peter Rutterford as soon as possible.

A final notice to all Trackrod Members of the AGM being held at Yorkshire Switchgear Social Club - **27th July 1993 - 8.30pm**. Nominations are still open till 20th July for anyone wishing to be nominated for the Committee.

TROPHY POINTS

Below are listed the Trophy points standing at the halfway stage of the year. There's still plenty of events coming up to claim for and some that haven't been claimed for yet by some members - its up to **YOU** to claim.

I'm also a bit surprised about the lack of claims from lady members - I think it totals seven claims so far - not many for six months. Where are you all??

Anyway that's all, I shall put another list out September/October. Happy Summer.

TROPHY POINTS

TREASURE HUNT 16TH MAY 1993

(Apologies Nick for omitting this from June magazine - ED)

Trackrod Motor Club's Treasure Hunt 1993 attracted eight crews this year and with a reduced mileage and new route it was hoped that more crews could finish within the prescribed time limits.

Entries were invited from De Lacy and Alwoodley Motor Clubs as well as from our own members and a good day seems to have been enjoyed by all. Prizes were on offer to the overall winner, second overall, last overall and submission of the funniest answer.

As organisers we were able to follow some of the route after everyone had started and it was soon apparent that Louise Goodall has had a good tutor for high speed driving as she was some 30 minutes in front of everyone else (maybe the others were just driving too slow!)

The final results are as follows: (Maximum score 200 pts)

- 1st Geoff Round & passengers De Lacy MC **187 pts**
- 2nd John & Margaret Smallwood & passenger Alwoodley MC **174.5pts**
- 3rd Anne & Robert Lodge De Lacy MC **171 pts**
- 4th Colin Heppenstall & passengers De Lacy MC **167 pts**
- 5th Louise Goodall & Tim Nichol Trackrod **163 pts**
- 6th Ronnie MacKinnon, Michelle King & passengers Trackrod **151 pts**
- 7th Peter Rutterford & Julie Davison Trackrod **147 pts**
- LAST Derek Lee and junior family members Trackrod **139 pts**

The funniest, and most libellous answers were supplied by Louise and Tim and unfortunately, cannot be published as they are unfit for human consumption!

De Lacy Motor Club are hoping to run a Treasure Hunt of their own later this year and may also include a PCT or Autotest to provide a full day's entertainment for partitipants.

Thanks to everyone who came on the day.

Nick Stevens, Stephen Lancaster and Paul Scruton

RETROSPECTIVE

From the pages of the Trackrod Newsletter of **July 1974**.....

Sad News dept. - we lost Whin Park at Arthington as a P.C.T. venue, so a new one had to be found for our Shell League Round later in the year.

Richard Jackson and Sue Waddington finally got hitched and the Club wished them well for the future. (still together as well!!)

Steve Rathbone ran an ad for Marshals for the forthcoming Costa-de-Plenti Rally in August (more later).

There was no competitions reported in this particularly brief issue of the Newsletter so perhaps a look at recent Clubnight venues is in order.

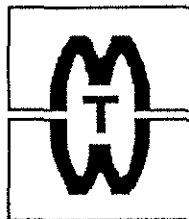

There was an "Open" Committee Meeting at the Barleycorn in Collingham, we had a Sportonoggin at the Royalty in Otley Chevin, a visit to Ken Goodall's Mum's pub, the Bull's Head in Gomersal, (South Leeds - ED) the Shoulder of Mutton, Sicklinghall, another "Open" Committee Meeting at the Duke of Wellington, Ease Keswick - some familiar names there and some not so!

Coming up next month - Clubnight P.C.T. at Stubbings Farm.

MANSELL - CHAMPION IN EXILE - continues...

(Courtesy of Sunday Times)

Mansell's anger was understandable. Driving brilliantly, streets ahead of his nearest opponent, his team-mate, he was just a few points from winning the world championship he had coveted all his life. Yet behind the scenes his hated rival was tunnelling into the team with the specific aim of wresting from him the car he had worked hard to help perfect and the status that he had earned. Friends say he discussed retiring on the spot. It was then that Mansell, with Rosanne's (his wife) backing, decided to fight Prost: they'd both sacrificed much to get this far and they weren't going to walk away and leave him with the fruits of their labour.

At the Hungarian Grand Prix Mansell reopened negotiations with Frank Williams and later told friends that they had agreed terms: he would partner Prost in the team on equal terms, guaranteed by contract, and accept \$1.5m compensation. Mansell was returning to his home in the Isle of Man after the race: the papers would follow on Monday for signature.

"Nigel was reasonably happy that weekend", says an inside source. "A deal had been struck. He was angry for Riccardo but determined he would blow Prost off the track when the new season started. There was only one sticking point: in the new contract Frank Williams was proposing to drop the provision of three hotel rooms for Mansell and his family at all 16 Grand Prix, a matter of only a few thousand pounds. Mansell wanted at least one for him and Rosanne - as a gesture, if nothing else, of good faith".

Monday morning came and went and there was no sign of the legal documents. Later that day Mansell received a fax from Williams apologising for the delay and explaining that he had had to consult with Renault and Elf. Mansell called Williams. "You're not messing me about are you, Frank?" he asked. "No, just a few things that need sorting out", he replied.
