Chief Marshal

Hi and thanks to all who turned out last month. Well that's another Trackrod Rally Yorkshire over and can i just say well done to the organising team on a job well done. (I enjoyed it anyway) when car 311 decided to go in to the ditch that's has to be one of the quickest turn rounds in rallying history 4 minuets to stop the stage remove car and restart. I was sure a few more cars would end up in their (if anyone has a spare roll of tape can Derek lee have it) few rally's this month so I hope to see some of our members out and about.

RALLY'S NOV 2005

- 1/ 6th Super Series Rallycross (Croft Circuit)
- 2/ 11th & 12th Poachers Road Rally (Grimsby m. c)
- 3/ 13th SG PETCH Hamsterley Forest Stages (Ripon MC)

Malton Forest Stages running on Sunday 11th December are looking for marshals to help on Pickering Showground 3 stages and service

That it if you want more info on events contact me or see press

Thanks Phill Andrews

STAGE COMMANDER – THANKYOU

As stage commander of Pickering showground on the Trackrod Rally Yorkshire '05 I would like to thank those club members and non-members that turned out to help set up the stage on Friday and for the help running the stage on Saturday and Sunday enduring an extremely early morning and some horrible wind and rain just for good measure.

The stage ran with no major problems apart from having to alter two corners due to the new road surface cutting up and the flying finish communications stopping working, I presume due to an influx of rain!!

This year was the first time for many a year where we have managed to run a stage on our own event.

Although only a small stage, we were still able to staff all major controls ourselves, even with many club members doing other jobs on the event, and with an event of the size of this I feel this just goes to show the support that the club has from its members.

Just as a personal reminder – Must not volunteer to run stages whilst I have got a drink in hand as you never know who's listening!!! (Thanks Russell)

Once again thanks to everyone who has travelled all over the place to help run stages that I have been asked to command during 2005. Last one coming up in November The Roger Albert Clark, again we are off to Scotland
If you fancy the trip please let me know,

Simon Marston

Scottish Correspondent November 2005

A busy month has been October, and not all to do with Motorsport. Friends from Australia staying for 2 weeks followed by Mull (more on that below) and then a weeks hols on Mull/home/Aberdeen – it's good to get back to work for a rest!!!

Tour of Mull Rally – 14th to 16th October

What a great time was had by all again. My only problem was I was working on the Friday (from the Aros Hall via BT Broadband!) so I missed out on some of the build up. It's great to be part of a good team of friends, and stealing words from another source:-

'Mull is something very different, it's a long way away, it's on an island, and it's run at the most inhospitable times! I used to think that was what I liked about it so much, but no, it is the people that makes it so special!'

The event for us ran without any issues, we had a double arrival (SS9 & 11) to man on the Saturday afternoon, and make sure the cars were presented to the start in the correct order. Unfortunately we had a big delay when there was an incident on SS8, and to make it worse it's a neighbour of mine in car 103. It was a high speed side impact to the drivers side. George had to be taken to Salen hospital, slowly, and then airlifted out to Glasgow with back/neck injuries. However I am pleased to report he is now back home but will have to wear a neck brace for 6 weeks. Do all you drivers/navigators wear helmet/neck restraints???

Saturday night then saw us being mid stage commander on a 22mile stage. Luckily all this meant was for us to sit and listen to the 81MHz and Raynet radios and since there were no issues and we did not have to 'roll' the rescue team.

We had been supporting three cars, Copes in car 5, Car30 and Car 103. It was very good to see John and Tony finishing 2nd in car5, especially since on stage 1 they had gone off, lost a couple of minutes and were then well below 10th!!! They set a number of fastest stage times, so a great recovery. Well done chaps.

Sunday was then a relaxing day, tidying up the stage, plus having fun on Calgary beach. It was then to Tobs for the winners procession, and then fireworks in the evening, oh and a few beers!!!! This was then followed by a 'cook in', home made soup and then local roast beef, Yorkshire puds etc. stunning. Well done to all for making this a great evening.

Then with the school hols being the week after the event, we stayed on the Island until the Wednesday. It was a nice relaxing time to wind down after the event, and the weather stayed very good until the Wednesday.

Kingdom Stages, Crail – 5th November

Plans are coming together well for this, all be it a bit late due to landowner permission issues. Watch this space for an update on outcome next month.

Well recommended – either to compete or marshal, could make a good social event too!!! Plenty of space for caravans.

Roger Albert Clark (RAC) Scottish Region – 20th & 21st November

Entries are coming in well for this and looks to be a good event, have a look at the website www.rogeralbertclarkrally.co.uk for latest details. There will be a Clubman event on the Monday in the Scottish region, so we should see a lot of action this year!

Simon Marston and team are running the Heathhall Spectator stage – he is now upset that there is the Bramham stage closer to home, but thanks for you supporting the Scottish region this year. Hope to see a number of you there.

RALLOY MULL FOREST STAGES – 21st January 2006

This is a new event running through 4 stages near Tobermory, twice. There has been a lot of interest from competitors, marshals and spectators. I have looked at two of the stages and they are great, and less than two miles from the cottages we rent!!!! We plan to help out on one of the local stages.

So, I have made a booking for the cottages – I have reserved 12 beds (at least 6 have already been ‘sold’) and the rest are available on a ‘1st come 1st served basis’. For the Friday and Saturday night the estimated cost will be less than £30/bed. Anyone interested please get in touch, ASAP.

This looks like it will be a good event, so any help/support will be appreciated. However I do appreciate it’s a reasonable distance to travel at that time of year!!!!

If anybody would like more details on any of the above, then please contact me on 01259 760611H, 07793 662444 M – but not after 22:00! (eMail peter.stanhope@diageo.com)

Safe motoring.

Peter Stanhope

RETROSPECTIVE

30 YEARS AGO - NOVEMBER 1975 On the cover were Ron Mackinnon/Chris Perkins in the escort on Olivers Mount, 1974 Scarbro Stages.

The recently planned restricted status autotest had to be cancelled due to lack of entries. Chairman Richardson not best pleased!

Frank Stuart-Brown won the Gymkhana and whilst it was supposed to be a gentle event the competition was anything but!! Others partaking were Ken Goodall; Richard Spurdens; Nigel Drayton; David Taylor and Tony Marshall.

Congratulations to David & Jennifer Taylor and Richard & Sue Jackson who had additions to their respective families, each couple having a son.

Several Trackrod crews were out on the York MC Marina Holidays Forest Rally. Clive Holker/Jack Coulthard; Dave Lawton/Steve Hazeldine; Vince Girardier/Ian Gurnett and Martin Kemp/Steve Holden took on the familiar stages of the Yorkshire forests. In the tradition of over familiarity the Cropton stage bit back and caused Martin Kemp to roll the Mini into a ball (fortunately without injury) and a tree took a wing off Vince Girardier's Escort. Dave Lawton eventually secured a deserved class win after a string of unlucky results.

Bob Chapman reported on the antics of all who went to Mull - much food, much more drink and somewhere in amidst it all, a rally!!

Ken Goodall won the recent Highwayman and Pennine rallies and was hoping to make it a hat trick on the forthcoming Moonraker event - all in the same car he used to deliver his meat (hence 'The Flying Butcher'), whilst practising with the trailer still attached!!

20 YEARS AGO - NOVEMBER 1985 Bit of a slim line issue this month but Peter Stanhope provided a piece on his activities with the Pennine Landrover Club on an off road event at Grassington, A sort of a PCT with much tougher obstacles. Anyway it must have been a good do as the crew were all looking forward to the next one!

Andy Munnis reported on the recent Costa Rally as seen from the seat alongside Roger Jackson in the RS2000. However a few too many errors by both saw them a disappointed 42nd o/a which they reckoned should have been 8th without their fail!!

Captain Renny was awaiting final standings for the Shell League but was fairly sure we would just scrape into the top 10.

10 YEARS AGO - NOVEMBER 1995. Coming up were the RAC Rally and our stage was to be Temple Newsam in Leeds - Many marshals required and also our own Lookout Stages at Melbourne.

Rob Buchan reported on his outing with Stuart Bell on our Forest Stages Rally and despite registering a retirement they seemed as if their event had been enjoyable, at least it got Rob out of what he thought was retirement. Next month the same event will be described by Steve Sanderson/Steve Hugill via the demon pen of Jaqui Sanderson!

The Three Rivers Road Rally report came from the pen of Arthur Heaton who sat alongside Andy Anderson. The usual mix of tricky navigation and the roads of the North York Moors contrived to keep everyone on their toes and despite some hefty time losses the intrepid duo ended up 9th o/a and 2nd novices (oh, and they had a puncture as well !!).
