PIRELLI INTERNATIONAL RALLY 18/19 April 2008

We have been asked to run a stage on this years Pirelli Rally. The stage and timings are almost identical to last year. This makes a little easier for setting up etc. and additionally I don't have to do a recky this year – not a mean task when it is 120 miles away!

The stage name is **Chamot Hill**, it is stage 1 and 8 of the event and is 5.18miles long (Entry 86/496756 - Exit 86/490776)

Timings are approximately 18.30 Friday and 12.00 Saturday. I will be setting up on Friday morning and anticipate being on stage by 09-00. Any help will be gratefully received!

The plan is to use the same camping and caravan site as we have used for the last few years. Additionally, we were given a donation about 3 months after last years event so some money will be available for a drink or two afterwards!

Could you let me know who is interested and what you would like to do as soon as possible!

Many thanks in anticipation

Melbourne airfield Restoration

Together with North Humberside Motor Club we are trying to improve the venue by repairing some of the worst potholes, photographs of work in progress (yet to be filled with concrete!) - photographs by Derek Lee

RETROSPECTIVE

30 YEARS AGO - MARCH 1978 - On the cover was rallycross action from Mabb's Bank at Lydden with Porsche and VW demonstrating wildly differing lines.

Leeds Crest Stages coming up in April - everybody needed - all leave cancelled!!

Annual dinner was well received; guest speaker was Tony Mason (who seems no better polished as a performer, even today!)

Shell League started with an autotest at Hartshead Moor in February and our team of David Taylor; Howard White; Ken Goodall; John Renny and Pete Silberberg all turned in terrific performances to put us in the lead on 399 points!! Elcar Trophy Rally is next in March. Our stage will be Altofts Quarry (!).

Nick Leuchars won the latest indoor rally all on his own - beating all other 8 crews!! Nick also reported on the recent snowbound Roskirk Trophy Rally on which he navigated for John Renny. Other Trackrod crews included Ian Harrison/Frank Stuart-Brown; Ian Gurnett/Rod Parkin; Steve Wood/Rob Spersely and John Marfitt/Ronnie Moore. All finished in the top 20 and IH/FSB were 1st o/a; IG/RKP 2nd and the others 13th, 17th, and 19th respectively, these latter three also won best team award - Those were the days!!!!

20 YEARS AGO - MARCH 1988 - Editor Roland Cross was banging the drum for marshals on the upcoming LUUMC Northern Lights Rally starting from Harry Ramsdens.

Secretary McNichol was enthusing about enthusiasm within the ranks for all club activities and matters motorsport!! Could this be the same club we now know???

Neil DuCros put on a navigational scatter, which attracted an entry of 11 crews and was won by Malcom Jagger/John Bean and Steve Lancaster gave us his own account of his journey to 4th aided by Chris Sharpe.

Peter Green reported on the Wydean Stages from the co-driver's seat in Mark Eastwood's Nova. It was their first stage rally and acquitted themselves very well though he omitted to give their finishing position - they were just delighted to finish without any real traumas!!!

John Renny gave us the Stage Commander's view on the Cartel Rally. He noted that it was run in good weather for a change - rather got the feeling he was disappointed at this - always loved the challenge of deep snow did JR!

10 YEARS AGO - MARCH 1998 - Jim Pleyey took up the editorial reins and was hoping his reign would be long enough to produce many issues of the magazine! We could now e-mail him our reports or send them on disc or even write and post them!! (The wonders of modern technology!!)

Plenty of dates for one's diary from all the local championships and, as part of the Wheels supplement a pictorial tribute to Roger Clark - yes it really is 10 years since he passed away!!
